Place the 13-1/2" x 36-1/2" CX3060 Moss piece on top of the CX1181 Onyx piece, overlapping the bottom edge of the CX1181 Onyx piece to make a 36-1/2" square. Cut a free form serpentine line across the moss fabric only within the overlapping area.
02) Turn under 1/4" seam allowance on the moss serpentine edge and top stitch in place to the CX1181 Onyx piece. The finished piece should measure 36-1/2" square to make the quilt top.

04) Refer to quilt photo for placement and press the large flowers to the background as shown. Machine satin stitch all the raw edges to finish. Press fusible web to the back side of each 4" CX0482 square. Randomly cut each square into 7 or 8 sided shapes to make the checkerboard flowers.. Fuse the flowers in place on the background as shown.
05) Cut one 6" x 18" piece from K1156. Iron fusible web to the back side. Cut five 1/2" stems and five 3/8" stems on the bias. Curve the stems in place while pressing. Iron the large stems to the mums and the small stems to the checkerboard flowers. Overlap some of the stems as shown.
06) Following the manufacturer's instructions, trace the listed number of flowers and leaves onto the paper side of the fusible web. Roughly cut out each shape and press to the back side of the listed fabrics. Cut out each shape on the drawn line.
07) Refer to the quilt photo to position and press the stars to the quilt top. Place fourteen leaves on the flower stems as shown. Position the remaining leaves and small flowers at the base of the quilt as shown. Place the large circles in the center of each checkerboard flower and the small circles in the center of the small flowers. Machine applique all the raw edges to finish.
