Backing 3 1/2 yards

Fusible web

Thread to match fabric for appliqué

Assorted Petite Petals – Fabric Paper Flowers col. Pink, Turq, White

Fabric glue

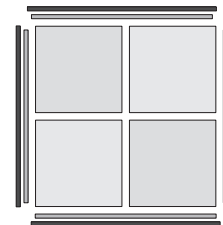

505 Spray and Fix

Disclaimers

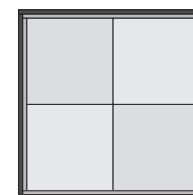

1. This pattern is provided as a courtesy to quilt stores, catalogs, and quilters. Michael Miller Fabrics, LLC is NOT responsible for the accuracy of any kits packaged to accompany this pattern. Please direct any inquiries to the kit maker.
2. Yardage requirements for this pattern may allow for excess yardage to accommodate specific placement of motifs or to allow for any fussy-cutting to achieve the finished quilt design.
3. While every attempt has been made to give accurate measurements, yardage requirements and construction directions, this does not allow for personal variations in measuring, cutting and/or sewing. The enclosed directions were used in the construction of the original quilt.

Cutting and Piecing Directions

1. From each CX2781 Tiny Check Candy, K1033 Krystal Pink, CX2581 Spin Floral Pink, and CX2580 Paisley Jam Pink, cut one square 16 1/2" x 16 1/2". Sew squares together to make a 32 1/2" x 32 1/2" square background for the center of the quilt.

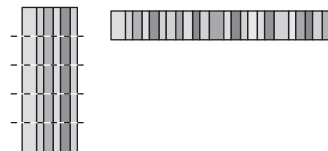

2. From CX2630 Fusion Swirl Turq, cut 2 strips 1 1/4" x 32 1/2". Stitch to the sides of the quilt center. Cut 2 pieces 1 1/4" x 34" and stitch to the top and bottom of the quilt center.

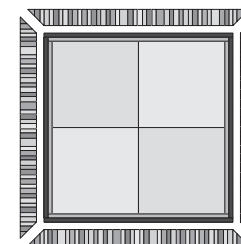

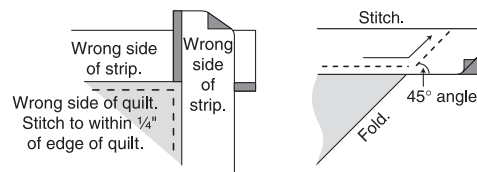

3. From K2277 Krystal Dark brown, cut 2 strips 1 1/4" x 34" and stitch to the sides of the quilt. Cut 2 strips 1 1/4" x 35 1/2" and stitch to the top and bottom of the quilt.

4. From CX1065 Pindot Pink, cut 1 square 4" x 4" and set aside.

5. Cut 2 strips of random width between 1 1/4" and 1 3/4" from each of the following fabrics for the pieced border: CX1065 Pindot Pink and Turq, CX2630 Fusion Swirl Turq and Pink, CX2781 Tiny Check Turq, CX2507 Daisy Flowers Brown, CX2582 Fusion Profusion Pink and Turq, CX2579 Floral Fusion Pink and Turq. Stitch strips together in a random pattern. Cross-cut strips every 3 1/2". Stitch 3 1/2" strips together to make longer border strips. Make 4 strips 3 1/2" x 42".

Stitch to all 4 sides of the quilt, then miter the corners by folding strips in half diagonally, lining up the strips and stitching at a 45° angle from corner to outside of strips. Trim excess fabric from underneath strips. Repeat for all 4 corners.

6. From K2277 Krystal Dark brown, cut 2 strips 1¼" x 41½" and stitch to the top and bottom of the quilt.

From CX2580 Paisley Jam Brown, cut 4 strips 4" x 41½". Stitch 1 strip to the top and 1 strip to the bottom of the quilt. Set the other 2 strips aside. Cut 4 squares 4" x 4" and set aside.

From K2277 Krystal Dark brown, cut 3 strips 1¼" wide. Cut and piece together to make 2 strips 1¼" x 50". Stitch these strips to the sides of the quilt.

From K2277 Krystal Dark brown cut 4 strips 1¼" x 4". Stitch to one side of the 4" Paisley jam squares previously cut. Stitch these units to each end of the remaining Paisley Jam strips with the dark brown side being stitched to the Paisley Jam strips.

Stitch these strips to each side of the quilt.

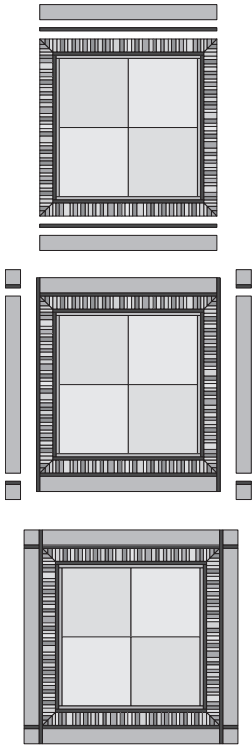

7. For Daisy Appliqué: Following manufacturer's instructions, trace pattern pieces onto the paper side of the fusible web. Leave about a ¼" margin around the outside edge of each piece. Cut out pattern pieces leaving outer margin.

For all petals, 2 large leaves and calyx, cut out interior of the fusible web leaving about ½" inside each pattern piece as shown here. This will prevent build-up of the fusible web. The grayed are is the fusible web.

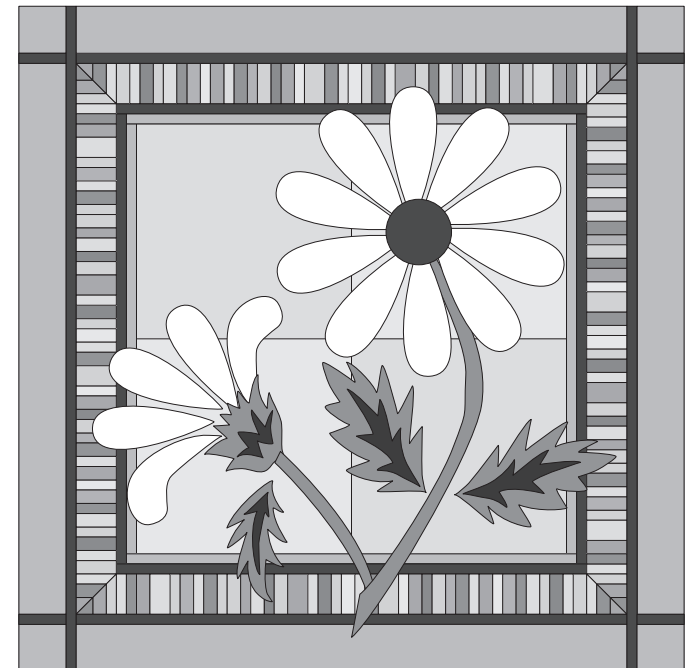

Following manufacturer's instructions iron fusible web pattern pieces to the wrong side of the designated fabrics: CM376 Fairy Frost Snow – petals, CX1065 Pindot Pink – daisy center, K1156 Krystal Leaf green – large leaves and calyx, K2053 Krystal Dark leaf green – details on leaves and calyx. Cut out all pieces along outlines. Use a non-stick pressing sheet to protect iron and ironing surface.

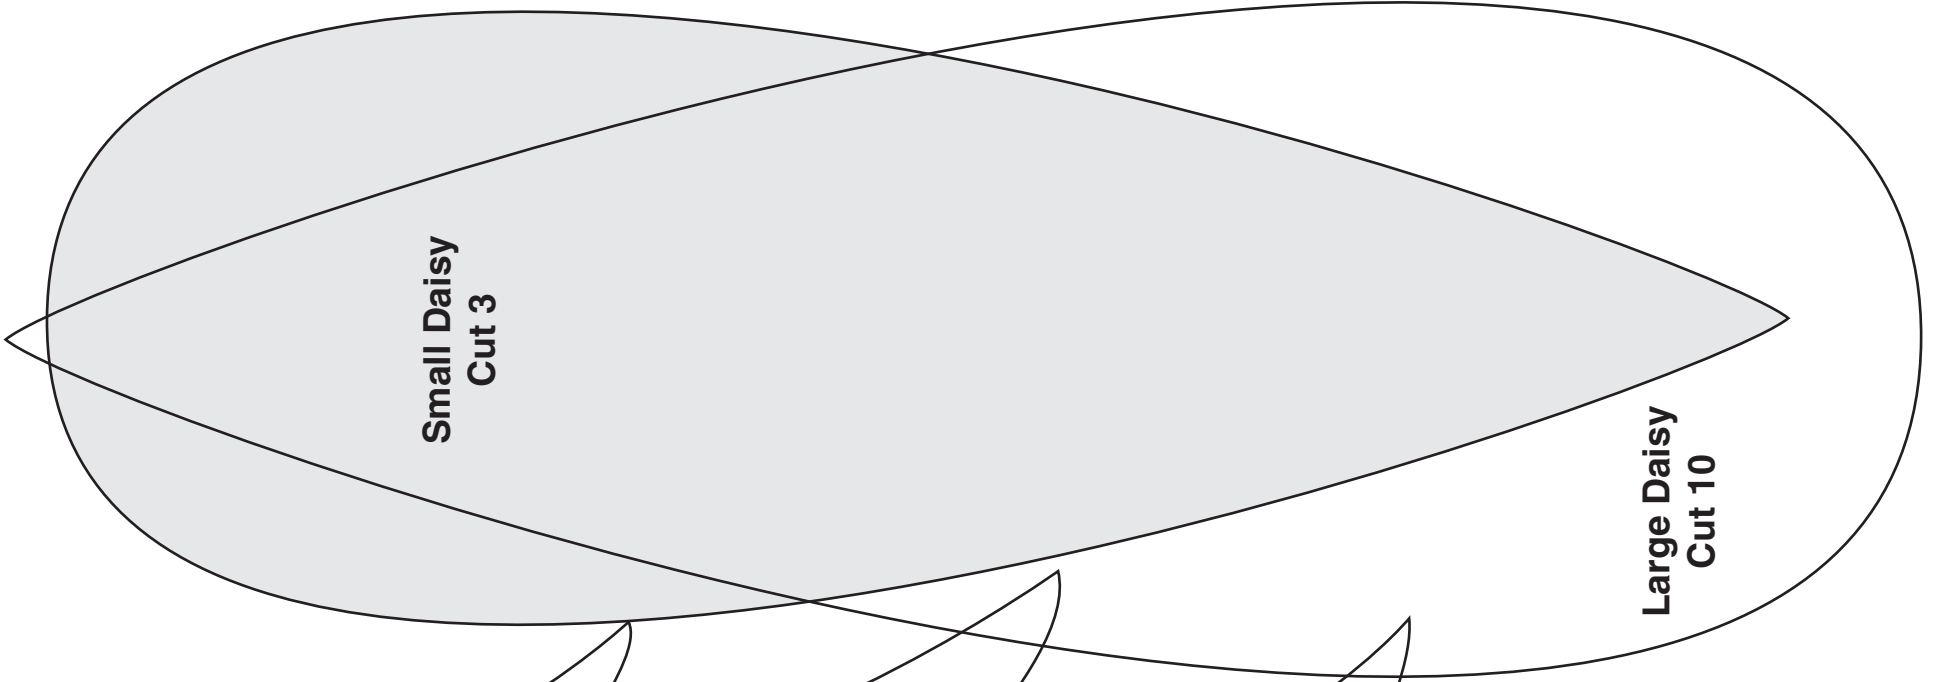

8. Fuse detail pieces to larger leaves and calyx (where shown on the templates) and set aside.
9. From K1156 Leaf green, cut one 25" bias strip which tapers from 1½" wide to 1", and one 18" bias strip 1" wide. Iron fusible web to the back of each strip. Trim away any excess fusible.

10. Using pattern pieces cut 10 large Daisy petals, 5 small daisy petals, 2 large leaves, calyx, and 1 small leaf from batting. Trim ¼" - ⅜" away from the outside edge of each batting piece. Lightly spray each batting piece with 505 Spray and Fix and adhere to the wrong side of each appropriate pattern piece, centering the batting pieces so that the fusible web is still exposed. Batting will add dimension to the pattern pieces.
11. Referring to the pattern for placement, iron 25" stem in place, curving the bias strip as shown in the photo. Add the 18" strip as shown in the photo. Remove paper backing from leaves and calyx and fuse pieces in place. Add small daisy petals to the calyx as shown.
12. For large daisy, trace Daisy center piece onto top of the stem. From remaining CX2630 Fusion Swirl Pink, cut one 4½" wide strip. Fold in half lengthwise. Clip every ¼" along the fold, but do not cut through the raw edges. Attach to the quilt, placing the raw edges ¼" inside the drawn circle and top stitch in place. Place the CX1065 Pindot Pink circle on top of the fringe and fuse. Satin stitch appliqué in place. (Optional: From CX2581 Spin Floral, cut one daisy and fuse to the center of the pink circle, then satin stitch the raw edges.)
13. Place remaining large petals around the center and satin stitch appliqué the raw edges.
14. Satin stitch appliqué all remaining raw edges of calyx, flowers, and leaves.

15. Cut binding strips 2½" wide from CX2630 Fusion Swirl Turq.
16. Scatter Pretty Petals daisies around the quilt, as desired and stitch in place using a small button in the center of the daisy.
