Piecing:

- Draw a diagonal line on the wrong side of [12] 5½" white squares. With right sides together, pair a 5½" white square with a 5½" black square. Stitch ¼" on each side of line. Cut along drawn line and press (see Diagram 1). Trim each unit to 5" square (see Diagram 1). Make (24) 5" half-square triangle units.

Diagram 1

- Sew half-square triangle units together in pairs and sew pairs together to form pinwheel block (see Diagram 2).

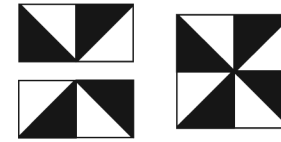

Diagram 2

- Following Diagram 3, arrange blocks and setting triangles and sew together in diagonal rows. Sew [5] CL4263_Pink Kim strips end to end. Measure length of top and cut two strips of equal length. Sew strips to sides of quilt and press toward strips. Measure width of top, including side borders, and cut two strips of equal length. Attach border to top and bottom of quilt top and press toward border. Repeat with [6] 6½" Clipdot_Black outer border strips. Quilt, bind and enjoy!
