

Tutorial for Yo-yo Flip Flops

by Susan I Jones

Materials

1 pair flip flops

Fabric pieces to coordinate

Clover's "Quick" Yo-Yo Makers in assorted sizes

Scissors

Needle and thread

Flip Flop Glue and Fabri-Tac™ Glue by Beacon Adhesives

Alcohol wipes

Directions

Following the directions for Clover's "Quick" Yo-Yo makers, assemble yo-yos in several sizes and in various fabrics for each flip flop. Wipe the soft plastic flip flop straps with an alcohol wipe. Allow to dry.

Stack the yo-yos using Fabri-tac™ glue to secure them together. Using Flip Flop glue, adhere the yo-yo stack on the plastic strap centered over the toe thong. Add single small yo-yo's on either side of the center motif. Allow to dry overnight.
