Yardage requirements for this pattern may allow for excess yardage to accommodate specific placement of motifs or to allow for any fussy-cutting to achieve the finished quilt design.

While every attempt has been made to give accurate measurements, yardage requirements and construction directions; this does not allow personal variations in measuring, cutting or sewing. The enclosed directions were used in the construction of the original quilt.

Block Assembly

1. Place one 3 ⅞” Fabric E square on top of one 3 ⅞” Fabric F square, right sides together. Draw a line across the diagonal of the top square (Fig. 1). Sew 1/4” away from each side of the drawn diagonal line (Fig. 1). Cut the two squares apart on the drawn diagonal line (Fig. 2) to make two E/F units (Fig. 3). Trim E/F units to measure 3 ½” square. Repeat to make seventy-two E/F units total.

2. Sew together one D triangle, one E triangle and one C triangle to make one Left D/E/C unit (Fig. 4). Repeat to make seventy-two Left D/E/C units.

3. Follow Figure 5 and repeat Step 2 to make seventy-two Right D/E/C units.

4. Sew together two Fabric B triangles, one Fabric F triangle and one Fabric E triangle to make one B/F/E unit. Repeat to make seventy-two B/F/E units.

5. Sew together one Left D/E/C unit, one B/F/E unit and one Right D/E/C unit to make one Border Block (Fig. 6). Repeat to make seventy-two block borders.

6. Sew one Border Block to each side of one 9 ½” Fabric A square. Sew one E/F unit to each end of one Border Block for the top border. Repeat to make the bottom border. Sew the borders to the top and bottom of the 9 ½” Fabric A square to make Block One (Fig. 7). Repeat to make eighteen Block Ones total.
Quilt Top Assembly (Follow Quilt Layout while assembling the quilt top.)

7. Follow the quilt layout to sew the blocks, corner triangles and side triangles together into diagonal rows. Sew the rows together to make the quilt top.

8. Layer and quilt as desired.

9. Sew the eight 2 ½” x WOF Fabric F strips together, end-to-end with 45-degree seams, to make the binding. Fold this long strip in half lengthwise with wrong sides together and press.

10. Bind as desired.
