Disclaimers
This pattern is provided as a courtesy to quilt stores, catalogs and quilters. Michael Miller Fabrics, LLC is not responsible for the accuracy of any kits packaged to accompany this pattern. Please direct any inquiries to the kit maker.

Yardage requirements for this pattern may allow for excess yardage to accommodate specific placement of motifs or to allow for any fussy-cutting to achieve the finished quilt design.

While every attempt has been made to give accurate measurements, yardage requirements and construction directions; this does not allow personal variations in measuring, cutting or sewing. The enclosed directions were used in the construction of the original quilt.

Block Assembly
1. Following the manufacturer’s instructions, trace the listed number of each template onto the paper side of the fusible web. Roughly cut out each template about 1/8” outside the drawn lines.
2. Press each template onto the wrong side of the fabrics as listed on the templates. Cut out each template on the drawn lines.
3. Refer to the quilt photo to arrange and press the thirty-six hearts onto the Fabric M background strip (Fig. 1).
4. Finish the raw edges of each shape with a decorative stitch such as a buttonhole or satin stitch to complete the center block.

Quilt Top Assembly
(Follow Quilt Layout while assembling the quilt top.)
5. Sew one 2” x 60 1/2” Fabric D strip to each side of the center block. Sew one 2” x 51 1/2” Fabric D strip to the top and to the bottom of the center block to make the quilt top (Fig 2).
6. Sew one 3 1/2” x 63 1/2” Fabric K strip to each side of the quilt top. Sew one 3 1/2” x 57 1/2” Fabric K strip to the top and to the bottom of the quilt top.
7. Layer and quilt as desired.
8. Sew the seven 2 1/2” x WOF Fabric L strips together, end-to-end with 45-degree seams, to make the binding. Fold this long strip in half lengthwise with wrong sides together and press.
9. Bind as desired.
