Meadow Quilt
57” by 57”
Tara Faughnan

MATERIALS:
• Refer to cutting chart for yardage requirements
• Rotary cutting supplies
• Low loft batting
• Sew all seams using an exact 1/4” seam allowance
• Refer to the cutting chart for all fabric requirements

This quilt is made up of 5 different blocks: a nine patch block, a cross block, a corner patch block, a rectangle block and a three patch block.

NINE PATCH BLOCK ASSEMBLY:
Lay out nine 3” squares as shown below. Sew squares together into rows.
Press seams in opposite directions starting with the top row. Sew rows together for final block.
Make 16 nine patch blocks in the combinations shown below.
Be aware of the direction on the striped fabric when you are sewing the block together.
CROSS BLOCK ASSEMBLY:
Lay out six 3” squares and one 3” by 8” rectangle as shown below.
Sew squares into rows and press seams. Sew the two rows and the rectangle together and press seams.
Make 9 cross blocks in the combinations shown below.
Be aware of the direction on the striped fabric when you are sewing the block together.

CORNER PATCH BLOCK ASSEMBLY:
Draw a line diagonally across the wrong side of four 3” squares. Place the squares right sides together (RST) in the corners of the 8” square as shown below.

Sew along the drawn line, trim off excess fabric 1/4” away from the seam and press seams to the outside.
TIP: If your blocks are coming out too small, sew just inside of the drawn line.

Make 24 corner patch blocks in the combinations shown below. Be aware of the direction on the striped fabric when you are sewing the block together.
RECTANGLE BLOCK ASSEMBLY:
Draw a line diagonally across the wrong side of two 3” squares. Place the squares RST in the corners of the 8” x 3” rectangle as shown below.

Sew along the drawn line, trim off excess fabric 1/4” away from the seam and press seams to the outside.

Make 16 rectangle blocks in the combinations shown below. Be aware of the direction on the striped fabric when you are sewing the block together.

3 PATCH BLOCK ASSEMBLY:
Sew together three 3” squares as shown below. Press seams to the side.

Make 12 blocks in the combinations shown below.
Lay out the pieces following the quilt diagram below. In addition to the blocks, you will need four 3” squares for the corners.

Sew row 1 together, pressing seams in the same direction as you go.

Sew row 2 together, pressing seams in the opposite direction from row 1.

Continue sewing all 9 rows, pressing seams in the opposite direction from the row above.

Sew the rows together for final quilt top.

Layer top, batting and backing together and quilt as desired.
