This pattern is provided as a courtesy to quilt stores, catalogs and quilters. Michael Miller Fabrics, LLC is not responsible for the accuracy of any kits packaged to accompany this pattern. Please direct any inquiries to the kit maker.

Yardage requirements for this pattern may allow for excess yardage to accommodate specific placement of motifs or to allow for any fussy-cutting to achieve the finished quilt design.

While every attempt has been made to give accurate measurements, yardage requirements and construction directions; this does not allow personal variations in measuring, cutting or sewing. The enclosed directions were used in the construction of the original quilt.

Block One Assembly

1. Place (1) 4 ½" Fabric E square on the left side of (1) 4 ½" x 8 ½" Fabric D strip, right sides together (Fig. 1). Sew across the diagonal of the square from the upper right corner to the lower left corner (Fig. 1). Flip open the triangle formed and press (Fig. 2). Trim away the excess fabric from behind the triangle, leaving a ¼" seam allowance. This "flip and sew" method will be used in several other steps in this quilt. (Note: When using the flip and sew method, refer to the appropriate figure or quilt layout for the correct seam direction.)
2. Using the flip and sew method, sew (1) 4 ½" Fabric E square on the right side of the 4 ½" x 8 ½" Fabric D strip from Step 1 to make (1) EDE unit (Fig. 3).
