* Optional: Fabric can be cut vertically. Increase yardage to 1 ¼ yards to keep motifs upright
** Center on a specific stripe for each repeat. Change stripe for stripe #2

Also Needed: 54” x 70” backing, 54” x 70” batting, threads to match, scissors, straight pins, rotary cutter, acrylic ruler, and mat.

Directions:
1. To create the large diamond, fold CX7444 Magenta 17” x 26” piece horizontally and vertically. Cut diagonally from the short horizontal fold to the top of the long fold (vertical). Repeat for the small diamond using CX7446 Sapphire. Using CX7443 Stripe #2 – Sew one strip to one side of the CX7446
Sapphire small diamond. Add border stripe to each side, one at a time, matching the stripes and mitering the corners. Repeat for the CX7444 Magenta diamond. Fold under ¼” seam allowance on the border fabric of the small diamond. Press in place. Center small diamond in the middle of the large diamond. Top stitch in place. Remove excess fabric carefully from the back. This method eliminates extra seams and keeps the all-over background pattern continuous. Set aside.

2. Sew one CX7440 7½” x 10½” piece to each end of one CX7441 7½” x 22½” piece. Make two.
3. Sew one strip from Step #2 to each side of CX7441 16½” x 42½” piece. Keep motifs upright.
4. Center large CX7444 Magenta diamond in the center of the panel. Turn under ¼” seam allowance. Press. Topstitch in place. Remove excess fabric from the back.
5. Sew one SC5333 Ochre 1½” x 42½” piece to each side of the quilt.
6. Sew one CX7444 Sapphire 4½” x 42½” piece to each side.
7. Sew one SC5333 Pomegranate 1½” x 42½” piece to each side.
8. Sew one CX7447 3½” x 42½” piece to each side.
9. Sew one CX7446 Garnet 2” x 48½” piece (pieced for length) to the top and bottom of the quilt.
10. Sew one CX7446 Sapphire 2” x 48½” piece (pieced for length) to the top and the bottom.
11. For the zig-zag border – place one SC5333 Ochre 3” square right sides together on top of one SC5333 Pomegranate square. Draw a diagonal line from corner to corner. Stitch ¼” on each side of the line. Cut apart on the drawn line. Press open. Yield: (2) half square triangles (HST). Trim each to an accurate 2½” square. Make (48) 2½” squares. Sew together (24) HST into a 2½” x 48½” strip in the pattern as shown. Make two. Sew one to the top and one to the bottom of the quilt.
12. Sew one CX7444 Magenta 6½” H x 8½” W piece to each end of one CX7441 6½” x 32½” piece. Make (2). Sew one to the top and one to the bottom of the quilt.
14. Quilt as desired.
15. Bind quilt using CX7443 2½” x W.O.F. strips pieced as needed for length.
