# MAGIC STARS 2 QUILT

## Yardage Requirements:

- ¼ yard of 15 print fabrics
- 3½ yards of white fabric
- ⅝ yard binding
- 5⅞ yards backing

## Cutting Instructions Per Block:

Make 15 **Block A** blocks

Make 15 **Block B** blocks

(Each ¼ yard cut makes one Block A and one Block B.)

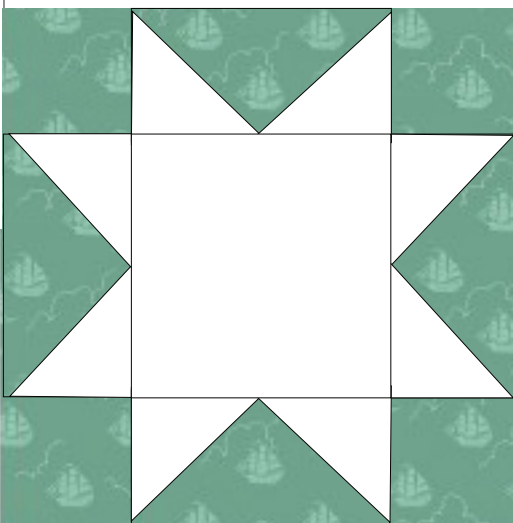

### Block A (white star) blocks:

From each **print background** fabric cut:

- (1) 7½" x 7½" square
- (4) 4⅜" x 4⅜" squares

From **white star** fabric cut:

- (1) 8¼" x 8¼" square
- (4) 4" x 4" squares

### Block B (white background) blocks:

From the **white background** fabric cut:

- (1) 7½" x 7½" square
- (4) 4⅜" x 4⅜" square

From each **print star** fabric cut:

- (1) 8¼" x 8¼" square
- (4) 4" x 4" squares

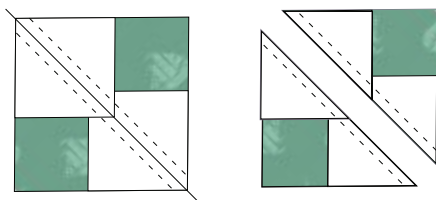

## Block Assembly:

Following instructions to make one Magic star quilt block:

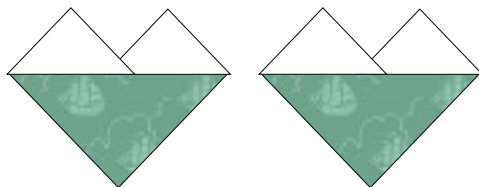

Draw a line on the wrong side of all the 4⅜" x 4⅜" squares. Lay two of those squares corner to corner (they will overlap in the center) on the 8¼" x 8¼" background fabric.

Sew ¼" on each side of the line.

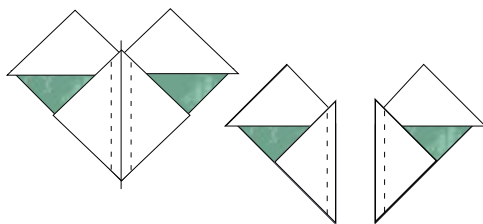

Cut on the marked line.

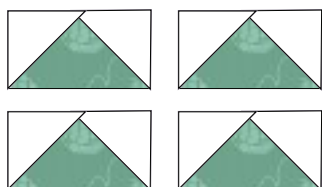

Press seams towards small triangles, as shown below.

Lay final two 4⅜" squares on the bottom corner of the flying geese units. Sew ¼" on each side of the line. Cut on the marked line.

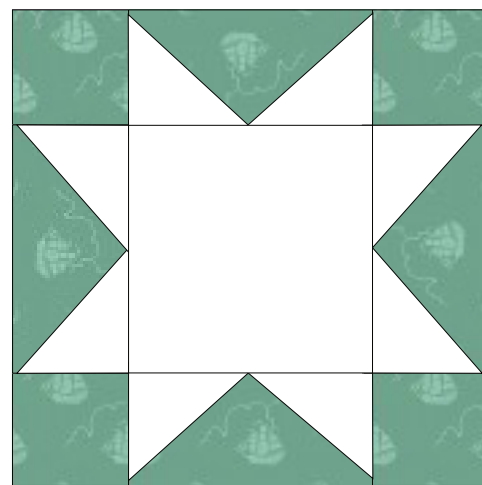

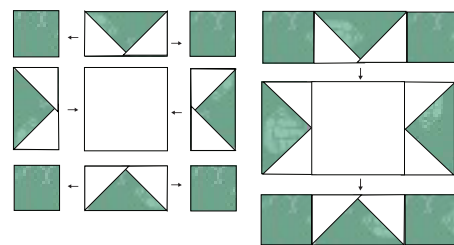

Press seams towards the small triangles.

Flying geese units will measure 4" x 7½"

Trim as needed.

Gather the 4" squares to complete the Star Block. Assemble block and press as in the direction of the arrows.

Unfinished block measures 14½"

## Quilt Assembly:

Arrange blocks so there are 5 blocks across and 6 blocks down alternating between Block A and B blocks.

Sew the blocks together to form rows.

Then join the rows together to complete the top.

Quilt as desired.

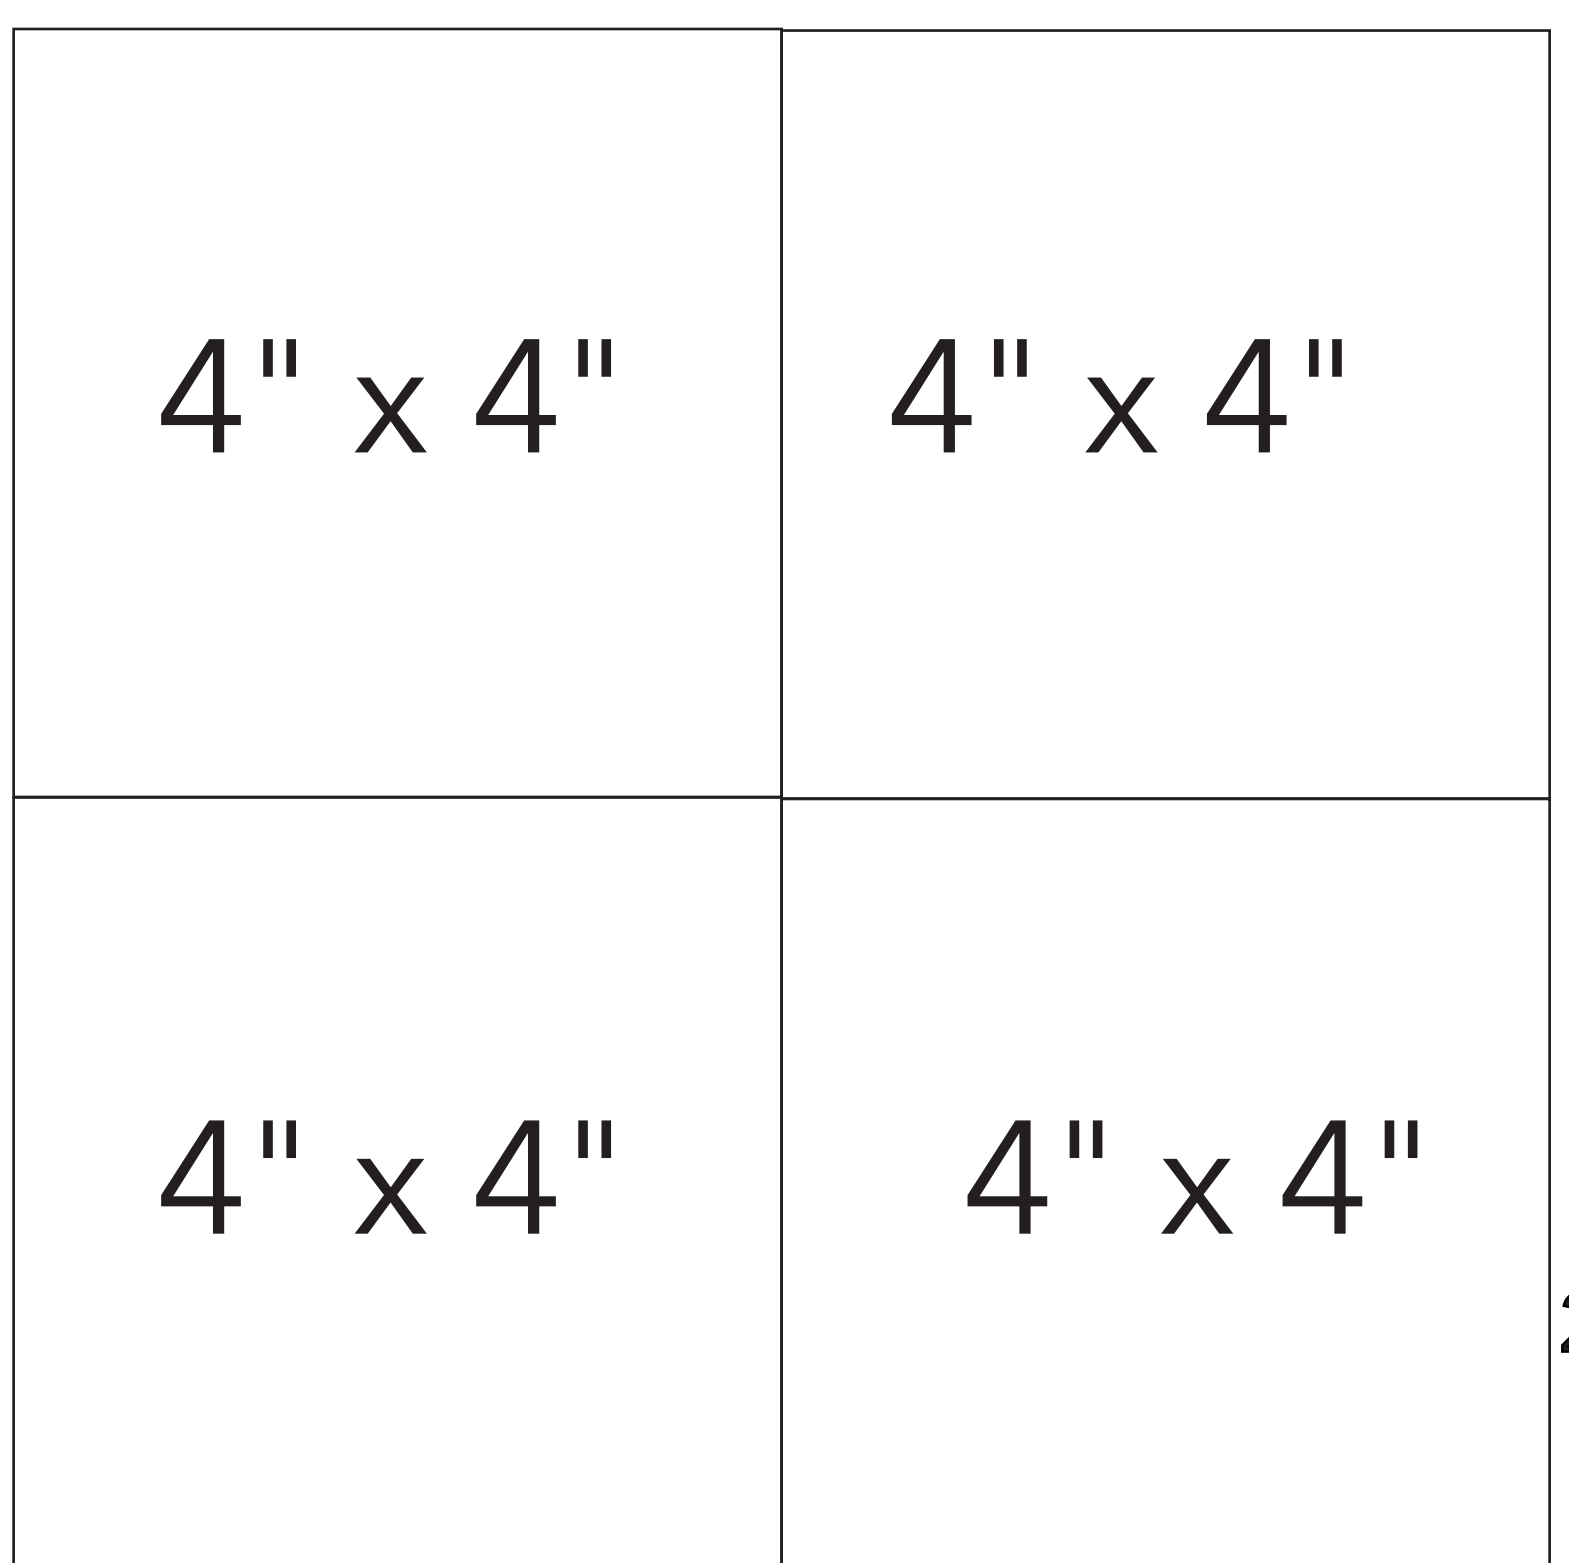

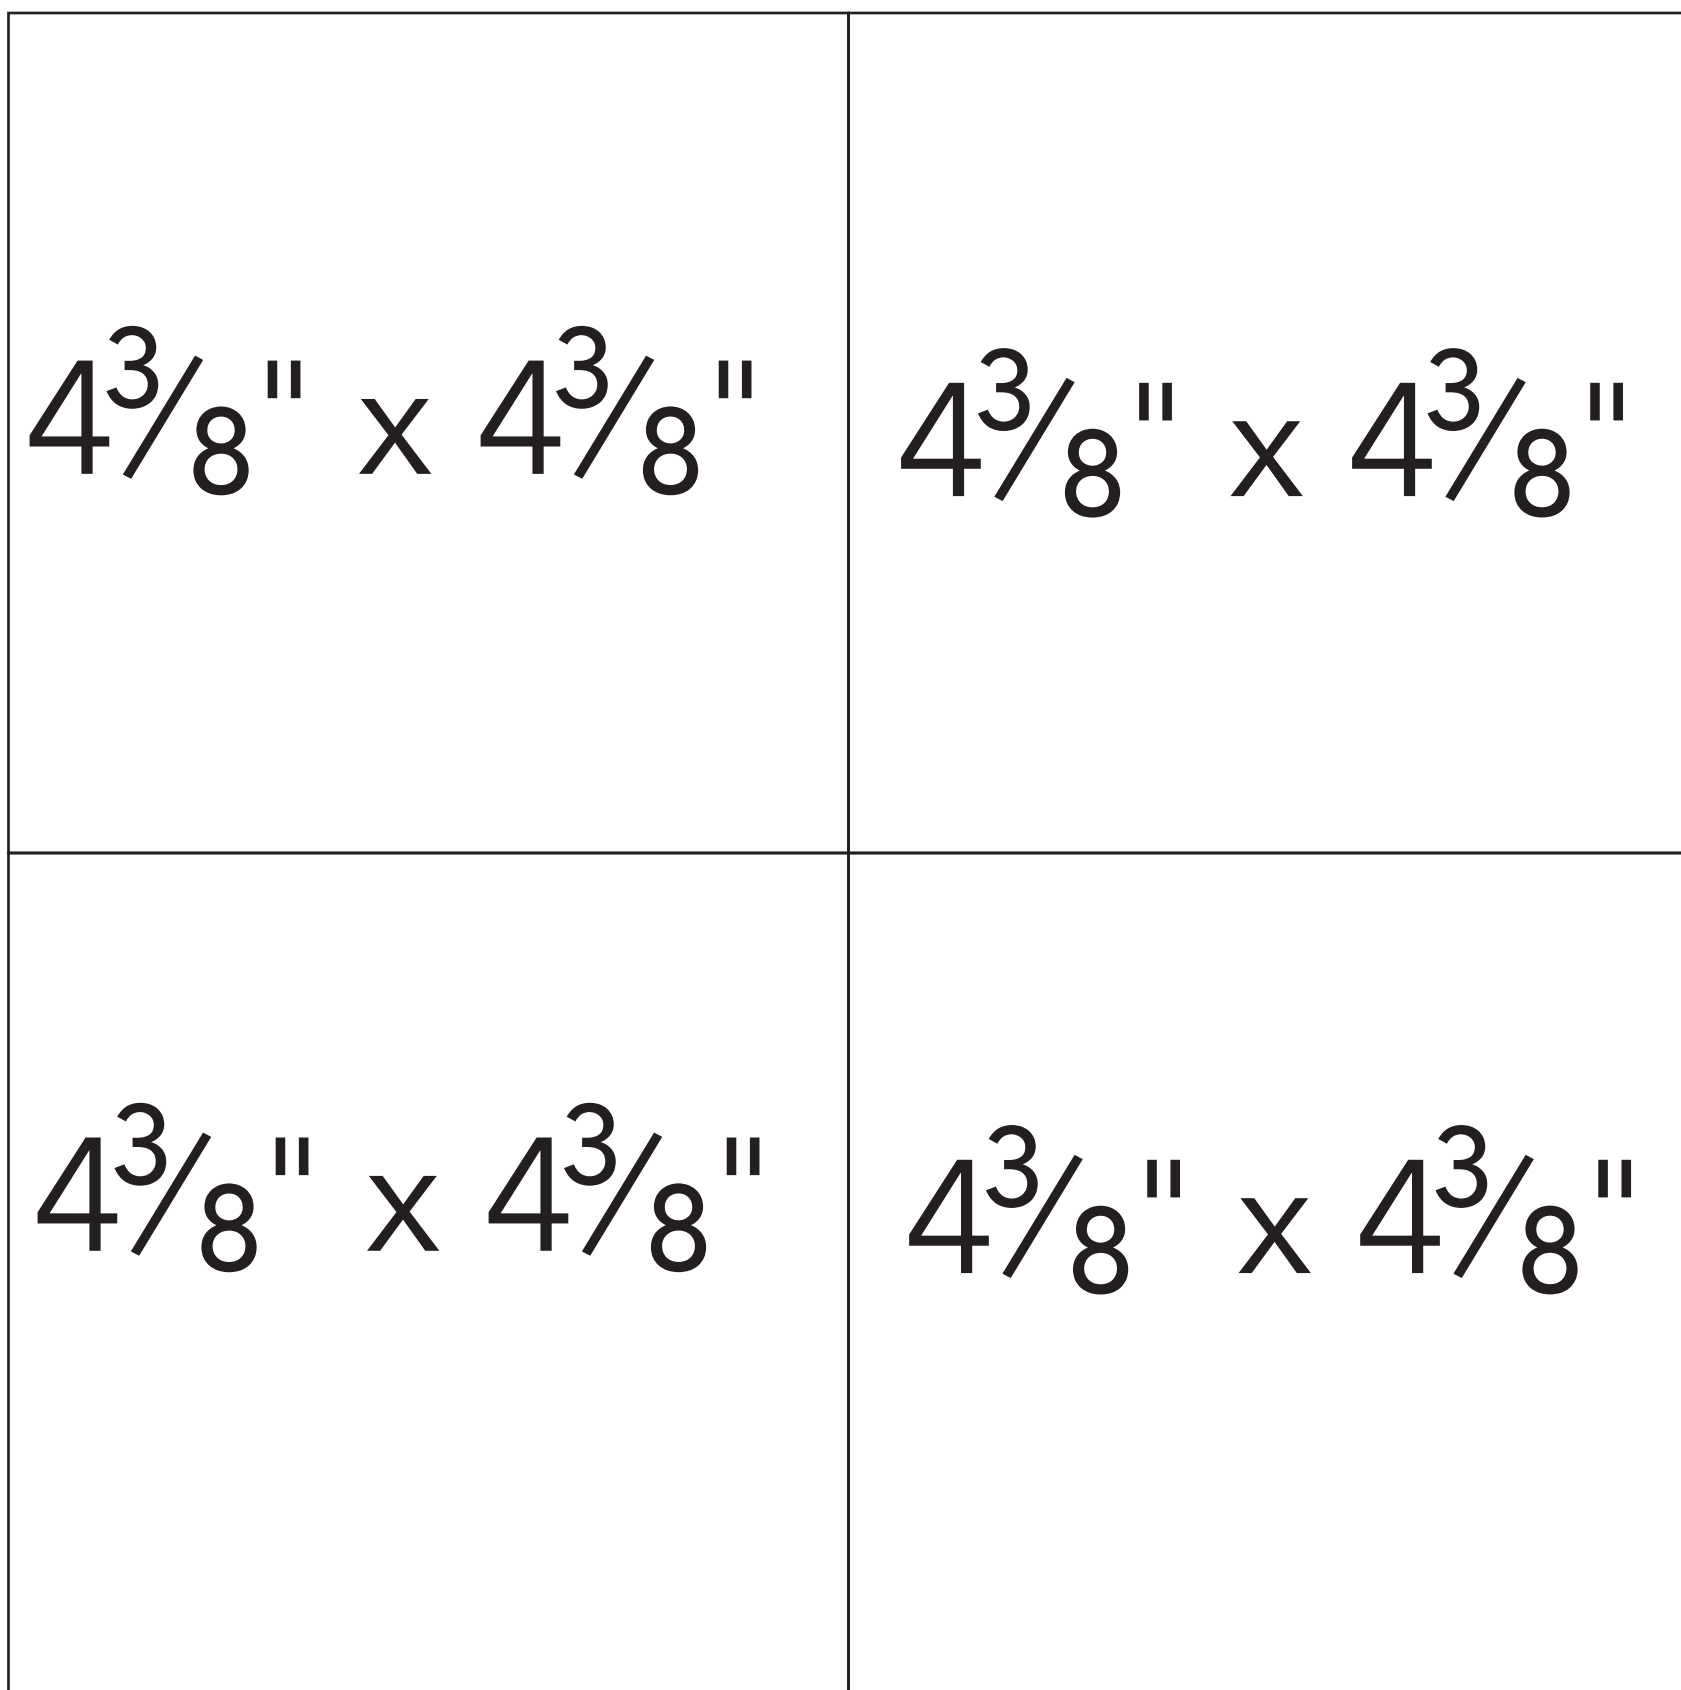

### From Binding Fabric Cut:

(9) 2¼" by WOF

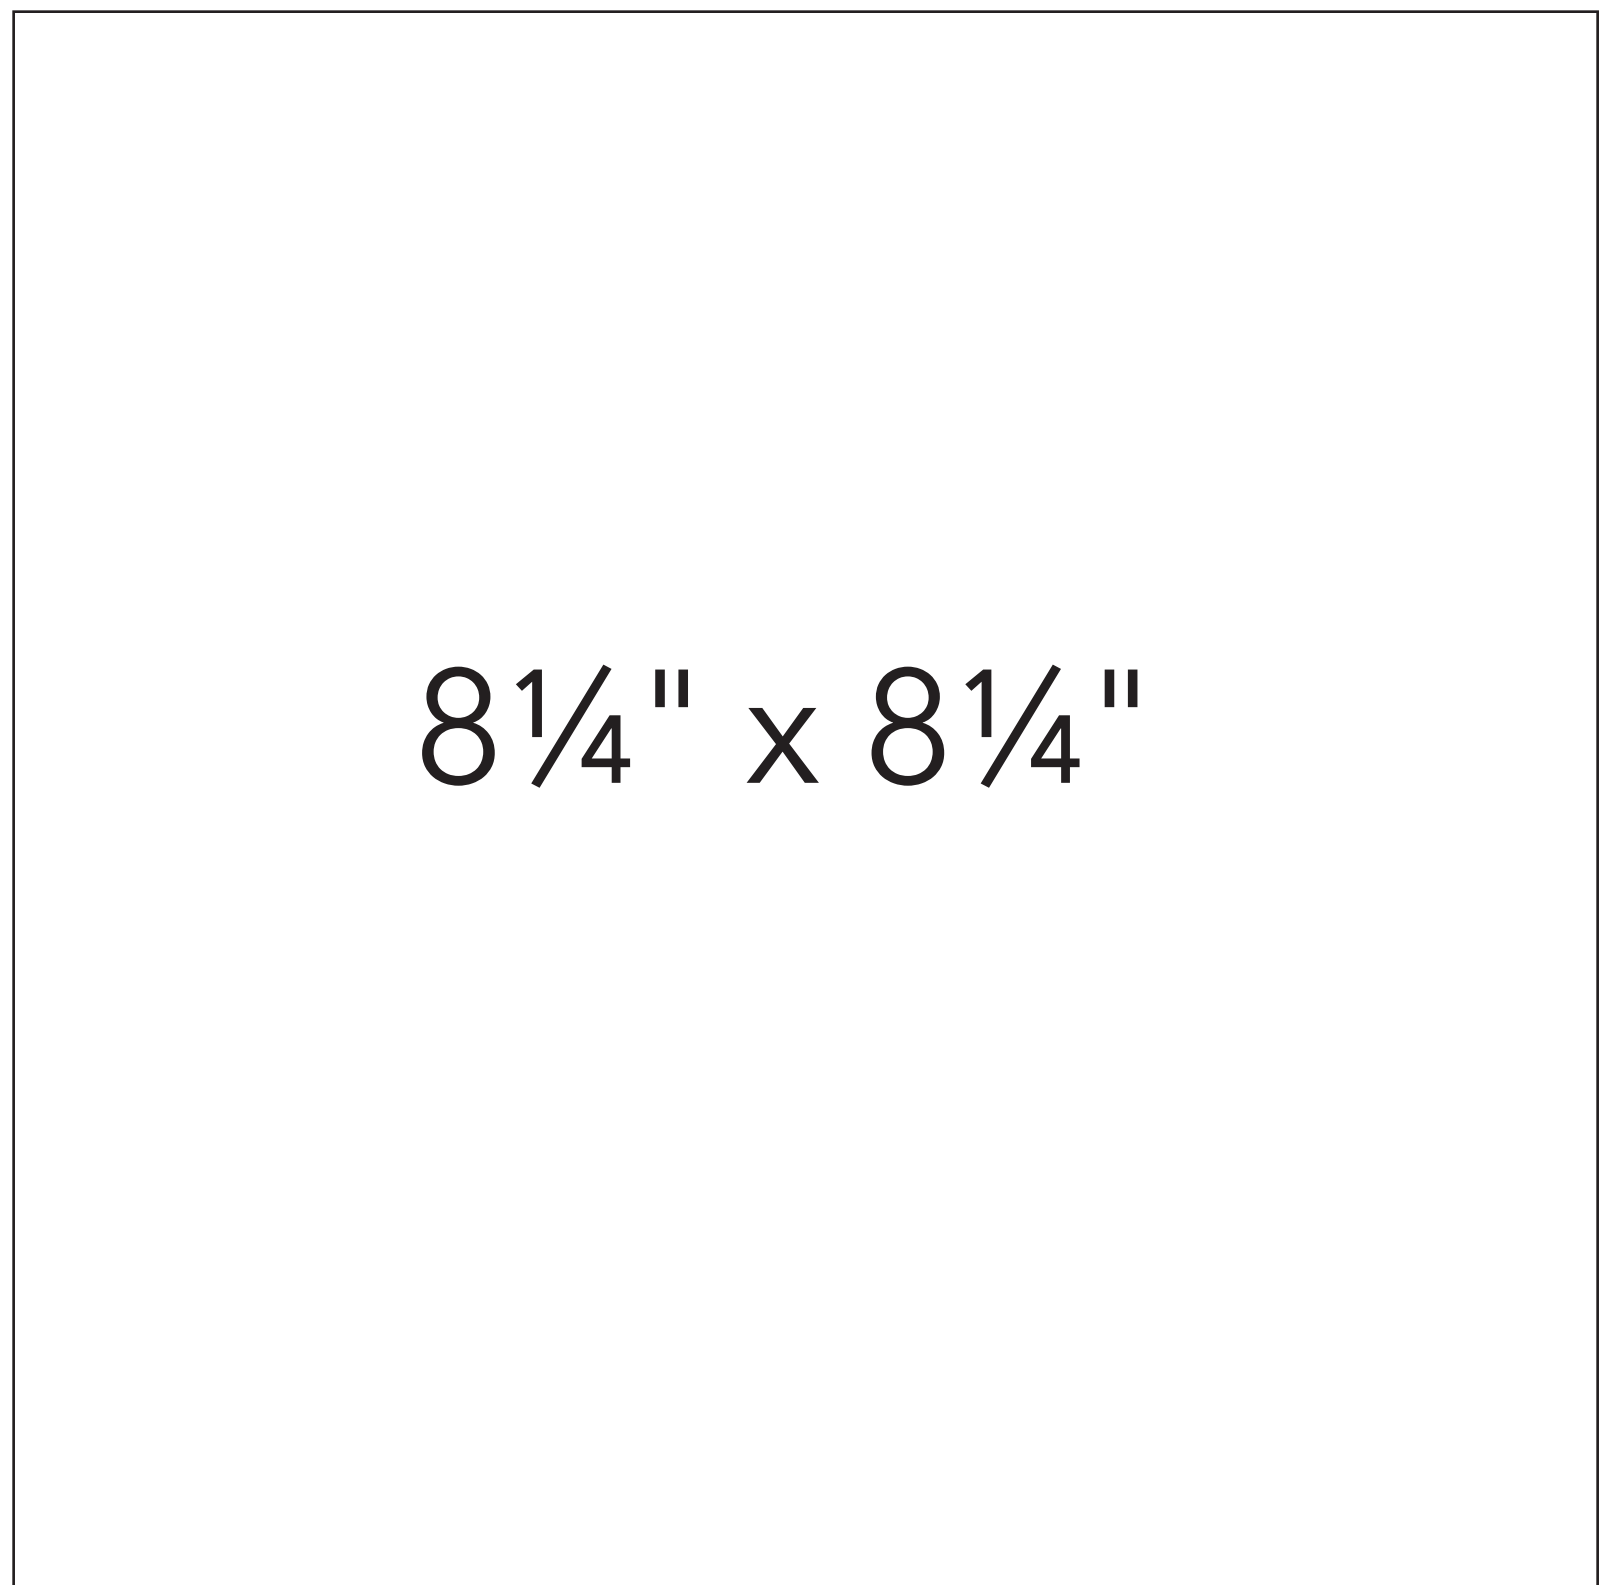

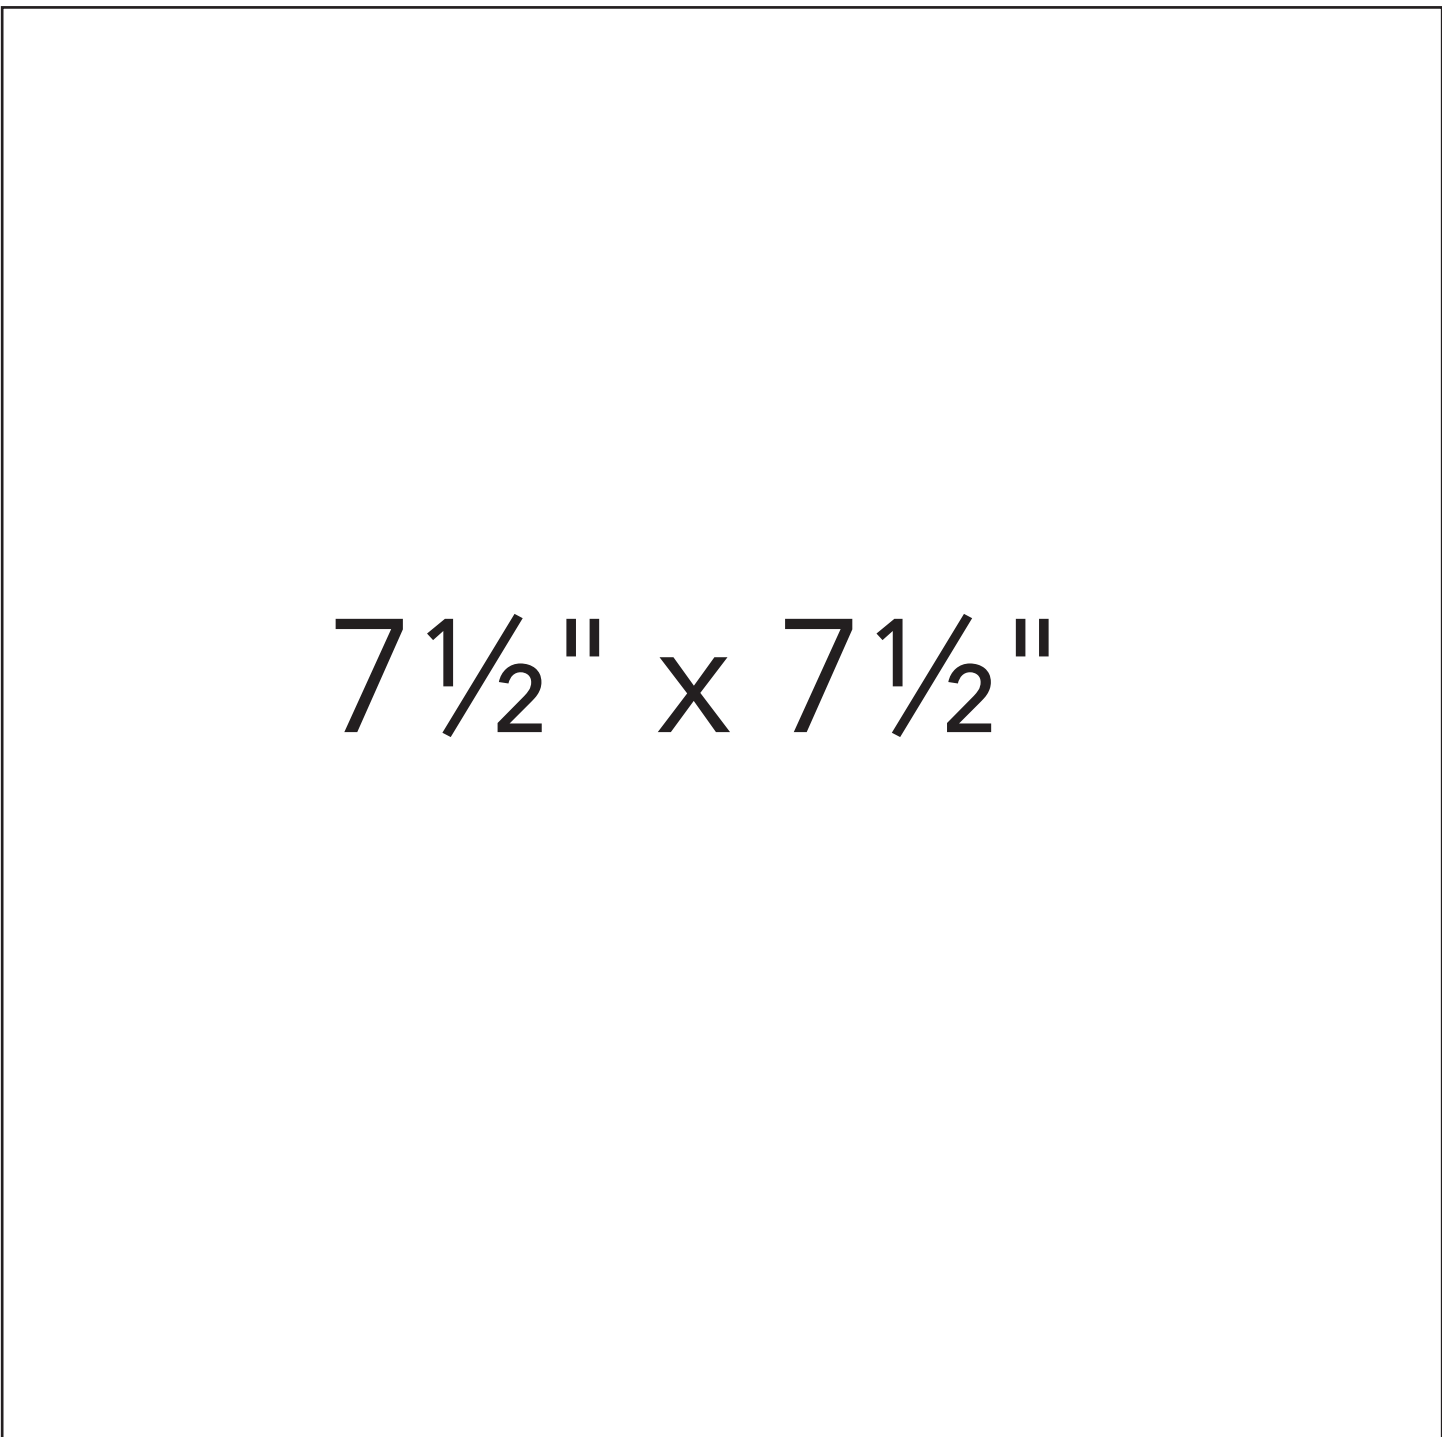

Bind and use with love.
