Home for the Holly Days

Quilt designed by Marinda Stewart

Skill Level: Confident Beginner

Size: 40" x 55"

Note: There is a lot of applique in this quilt. Machine applique is recommended because it is faster. Use straight stitch, buttonhole stitch, or satin stitch. Satin stitch was used for this quilt. The applique makes this quilt more time consuming. However, once completed it will be a treasured holiday quilt to be used year after year, becoming a family tradition.
