Disclaimers
This pattern is provided as a courtesy to quilt stores, catalogs and quilters. Michael Miller Fabrics, LLC is not responsible for the accuracy of any kits packaged to accompany this pattern. Please direct any inquiries to the kit maker.

Yardage requirements for this pattern may allow for excess yardage to accommodate specific placement of motifs or to allow for any fussy-cutting to achieve the finished quilt design.

While every attempt has been made to give accurate measurements, yardage requirements and construction directions; this does not allow personal variations in measuring, cutting or sewing. The enclosed directions were used in the construction of the original quilt.

Quilt Top Assembly
1. Sew one 4 ½” x 25 ½” Fabric B strip to the bottom of one 24” x 25 ½” Fabric A strip to make one Unit 1 rectangle (Fig. 1).

2. Following the manufacturer’s instructions, trace the listed number of each template onto the paper side of the fusible web. Roughly cut out each template about 1/8” outside the drawn lines.

3. Press each template onto the wrong side of the fabrics as listed on the templates. Cut out each template on the drawn lines.

4. Refer to Figure 2 to arrange and press the assorted pieces onto the Unit 1 rectangle.

5. Finish the raw edges of each shape with a decorative stitch such as a buttonhole or satin stitch to make the Center Block.
6. Refer to the Quilt Layout to sew one 1 ½” x 28” Fabric B strip to each side of the Center Block. Sew one 1 ½” x 27 ½” Fabric B strip to the top and to the bottom of the Center Block.

7. Sew one 5 ½” x 30” Fabric N strip to each side of the Center Block. Sew one 5 ½” x 37 ½” Fabric N strip to the top and to the bottom of the Center Block to make the quilt top.

8. Layer and quilt as desired.

9. Sew the four 2 ½” x WOF Fabric O strips together, end-to-end with 45-degree seams, to make the binding. Fold this long strip in half lengthwise with wrong sides together and press.

10. Bind as desired.
