PIECING:
Sew a small Fabric B triangle to a small Fabric E triangle along the short side as shown. Press toward Fabric E. Repeat to make a total of (24) units. Sew (2) units together as shown. Press seam open. Repeat to make a total of (12) B/E star point units and (12) C/D star point units.

![Piecing Diagram]

Draw a diagonal line on the wrong side of (4) 5” Fabric A squares. With right sides together, place a marked 5” Fabric A square on top of a 5” Fabric B square. Stitch 1/4” on each side of drawn line. Cut along drawn line and press toward Fabric B. Trim half-square triangle unit to 4-1/2” square. Repeat to make a total of (24).

![Half-Square Triangle Diagram]

Repeat steps above to make (24) Fabric A/C half-square triangle units.
Draw a diagonal line on the wrong side of (24) 5” Fabric B squares. With right sides together, place a marked 5” Fabric B square on top of a 5” Fabric C square. Stitch 1/4” on each side of drawn line. Cut along drawn line and press toward Fabric C. Trim half-square triangle unit to 4-1/2” square. Repeat to make a total of (48) Fabric B/C half-square triangle units.

![Diagram of half-square triangle units]

Make 48

Sew a small Fabric A triangle to a small Fabric B triangle along the short side as shown. Press toward Fabric B. Sew a medium Fabric B triangle on the long edge and press toward Fabric B. Trim quarter-square triangle unit to 4-1/2” square. Repeat to make a total of (12) Fabric A/B quarter-square triangle units.

![Diagram of quarter-square triangle units]

Make 12

Sew a small Fabric A triangle to a small Fabric C triangle along the short side as shown. Press toward Fabric C. Sew a medium Fabric C triangle on the long edge and press toward Fabric C. Trim quarter-square triangle unit to 4-1/2” square. Repeat to make a total of (12) Fabric A/C quarter-square triangle units.

![Diagram of quarter-square triangle units]

Make 12

Lay out (4) Fabric B/C star point units; (8) Fabric A/B half-square triangle units; (8) Fabric B/C half-square triangle units; (4) Fabric A/B quarter-square triangle units and (1) 4-1/2” Fabric A square, as shown below. Sew together into horizontal rows and press as indicated by arrows. Sew rows together and press seams open to complete block. Block should measure 20-1/2”. Repeat to make a total of (3) blocks.

![Diagram of block assembly]

Make 3

Repeat with remaining units to make (3) of the block shown below. Set all blocks aside.
Sew a Fabric F small triangle to a small Fabric A triangle along the short side as shown. Press toward Fabric F. Repeat to make a total of [8] units.

Sew a Fabric F small triangle to a small Fabric G triangle along the short side as shown. Press toward Fabric F. Repeat to make a total of [8] units.

Sew a Fabric F/A unit to a Fabric F/G unit as shown. Press seam open. Trim unit to measure 4-1/2” square. Repeat to make a total of [8] star point units.

Sew a Fabric C small triangle to a small Fabric A triangle along the short side as shown. Press toward Fabric C. Repeat to make a total of [7] units.

Sew a Fabric B small triangle to a small Fabric A triangle along the short side as shown. Press toward Fabric B. Repeat to make a total of [7] units.

Sew a Fabric C/A unit to a Fabric B/A unit as shown. Press seam open. Trim unit to measure 4-1/2” square. Repeat to make a total of [7] sashing triangle units.

Arrange 8-1/2” x 4-1/2” Fabric A rectangles, 4-1/2” Fabric A squares, star point units and sashing triangle units as shown in diagrams below. Sew together and press toward Fabric A rectangles and squares to complete sashing units. Set aside.

Sew a Fabric B small triangle to a small Fabric A triangle along the short side as shown. Press toward Fabric B. Repeat to make a total of [5] units.

Sew a Fabric C small triangle to a small Fabric A triangle along the short side as shown. Press toward Fabric C. Repeat to make a total of [5] units.

Sew a Fabric A medium triangle to each unit on the long side as shown. Press toward Fabric A. Trim unit to measure 4-1/2” square. Make [5] of each.

**Quilt Center Assembly:**
Arrange blocks, sashing units and 4-1/2” Fabric F squares as shown at right. Be careful to place sashing triangle units in correct position, matching Fabrics B and C with the blocks.

Sew blocks and sashing units together into horizontal rows. Press toward sashing units. Sew rows together and press toward sashing rows.
Sew a long inner border to each side of the quilt center. Again, take care to match triangle units to blocks. Press toward inner border. Sew remaining inner borders to top and bottom of quilt and press toward inner borders.

Sew a 4-1/2” x 76-1/2” Fabric J border strip to each side of quilt center. Press toward border strips. Sew a 4-1/2” x 60-1/2” Fabric J border strip to top and bottom of unit and press toward border strips to complete quilt center. Sew aside.

Assemble Border Blocks:

Repeat steps above with 4-3/4” Fabric K and Fabric L strips to make a total of [14] 4-3/4” x 9” segments.
Sew a Fabric G/H segment to a Fabric K/I segment to create a four patch. Press seam open. Repeat to make a total of 14 four-patches.

Sew a Fabric G large triangle to top of block. Press toward triangle. Sew a Fabric K large triangle to bottom of block and press toward triangle. Sew a Fabric G large triangle to left side of block and press toward Fabric G. Sew a Fabric K large triangle to right side of block and press toward triangle. Block should measure 12-1/2” square. Repeat to make a total of 14 four-patch blocks.

Sew a D/G segment to a D/K segment. Press seam open. Repeat to make a total of 20 four-patch blocks.

Place all four-patches with Fabric G on the top left and Fabric K on the bottom right. Sew a 4-3/4” Fabric G square on the left side of a four-patch block. Press toward Fabric G. Repeat to make a total of 10 Fabric G units. Sew a 4-3/4” Fabric K square on the right side of block. Press toward Fabric K. Repeat to make a total of 10 Fabric K units. Sew Fabric G and Fabric K units together, as shown, and press seam open. Repeat to make a total of 10 blocks. Blocks should measure 9” square.
Sew a Fabric G large triangle to top of block. Press toward triangle. Sew a Fabric K large triangle to bottom of block and press toward triangle. Sew a Fabric G large triangle to left side of block and press toward Fabric G. Sew a Fabric K large triangle to right side of block and press toward triangle. Block should measure 12-1/2” square. Repeat to make a total of [10] double four-patch blocks.

Use method at top of page to add large triangles to block. Block should measure 12-1/2” square. Repeat to make a total of [4] border corner blocks.
Referring to diagram below for placement, sew a border corner block to each end of a top/bottom border. Press toward border corner block. Repeat to make a total of [2] top/bottom borders.

Sew a side border to each side of quilt center as shown below. Press toward quilt center. Sew a top/bottom border to the top and bottom of quilt center and press toward quilt center.

Quilt top should measure 92-1/2” x 108-1/2”.
