B	(5) 5-1/2" x WOF strips.
C-D	Set aside for appliqué.
E	Cut [6] 2-1/2" x WOF strips for binding. Set remainder aside for appliqué.

EASY AS ABC PANEL QUILT

PIECING:

Trim selvages from (5) 5-1/2" Fabric B border strips and sew together end to end. Cut (2) 5-1/2" x 43-1/2" borders and sew to sides of trimmed Fabric A panel. Press toward borders. Cut (2) 5-1/2" x 45-1/2" borders and sew to top and bottom of Fabric A panel. Press toward borders.

APPLIQUÉ: (Note: Do not resize appliqué leaf shape.)

Trace appliqué leaf shape (below) on the paper side of fusible web (48) times. DO NOT cut on the traced lines. Cut them apart at least 1/8" outside the lines.

Lay a fusible web leaf shape, paper side up, on the wrong side of Fabric C. Press according to fusible web manufacturer's instructions. Let fabric cool, then cut out shape on the drawn line. Repeat for a total of (15) Fabric C leaf shapes, (15) Fabric D leaf shapes and (18) Fabric E leaf shapes.

Peel off paper from shapes and arrange, fusible side down, on Fabric B borders (refer to image for placement). Fuse to borders following manufacturer's instructions.

Stitch the appliqués using the stitch of your choice. You can use blanket stitch, zig zag or straight stitch.

FINISHING: Layer quilt top, batting and backing together to form a quilt sandwich. Baste and quilt as desired. Binding using (6) Fabric E 2-1/2" strips.
