Yardage requirements for this pattern may allow for excess yardage to accommodate specific placement of motifs or to allow for any fussy-cutting to achieve the finished quilt design.

While every attempt has been made to give accurate measurements, yardage requirements, and construction directions; this does not allow personal variations in measuring, cutting, and or sewing. The enclosed directions were used in the construction of the original quilt.

Directions

1. From remaining CX5451 fabric piece together the stripes as follows: turquoise and coral, avocado and mustard, turquoise and mustard, and avocado and coral.
2. Using the circle patterns, trace one large, three medium, and five small circles onto the paper side of the fusible web. Rough cut out. Following the manufacturer's directions iron onto the wrong side of the pieced stripes as follows: Large circle on turquoise and mustard stripe, one medium circle each on avocado and mustard, turquoise and coral, and avocado and coral, one small circle on turquoise and coral, and four small circles on avocado and coral. Cut out on the pattern lines. Remove the paper backing. Iron circles into place on the quilt top as shown or as desired. Machine satin stitch all raw edges to finish.
OPTIONAL: Iron iron-on tear-away stabilizer on the back of the quilt behind each circle before stitching. This improves the quality of the stitching and eliminates fabric distortion. Remove all stabilizer after stitching.
3. Sew CX3529 1 1/2" x 30 1/2" piece to the top and bottom of the quilt. Sew CX3529 1 1/2" x 41" piece to each side.
4. Sew CX5440 4 1/2" x 41" piece to each side of the quilt. Sew one CX5440 4 1/2" x 40 1/2" piece to the top and bottom of the quilt.
5. Layer backing, batting, and quilt top. Baste.
6. Quilt as desired.
7. Bind quilt using SC5333 Black 2 1/2" strips pieced as needed for length.
