Disclaimers

This pattern is provided as a courtesy to quilt stores, catalogs, and quilters. Michael Miller Fabrics, LLC is not responsible for the accuracy of any kits packaged to accompany this pattern. Please direct any inquiries to the kit maker.

Yardage requirements for this pattern may allow for excess yardage to accommodate specific placement of motifs or to allow for any fussy-cutting to achieve the finished quilt design.

While every attempt has been made to give accurate measurements, yardage requirements, and construction directions; this does not allow personal variations in measuring, cutting, and or sewing. The enclosed directions were used in the construction of the original quilt.

Directions

1. Using provided patterns, trace one of each letter, (2) exclamation points, (2) large stars, (2) medium stars, (3) small stars onto the paper side of the fusible web. Cut out each leaving a small margin around each motif. Following manufacturer's directions, iron all the letters and exclamation points onto the Jet Black. Iron the large stars on the back of CX2489 Minnie, the medium stars on the back of CX2490 and the small stars on the back of CX3584. Cut out each.

2. Arrange BAM! on one balloon as shown. Remove paper backing. Fuse in place. With black thread machine satin stitch all raw edges to finish.
   OPTIONAL: Back balloon shape with iron-on tear-away stabilizer before stitching. This reduces any distortion. Remove paper once stitched. Reverse the direction of the remaining balloon and repeat using POW!

3. Arrange two balloons on CX2489-Cherry 42 1/2" x 54 1/2" panel as shown. Machine applique in place using black thread.
   OPTIONAL but recommended - frm the back of the quilt remove CX2489 cherry background behind each balloon. Trim to 1/4" seam allowance. This reduces bulk and eliminates the polka dots showing through.

4. Arrange stars on quilt as shown. Remove paper, fuse in place. Machine satin stitch all edges with black to finish.

5. Layer backing, batting, and quilt top. Baste.

6. Quilt as desired.

7. Bind quilt using K1149 2 1/2" strips pieced as needed for length.
