Disclaimers

This pattern is provided as a courtesy to quilt stores, catalogs, and quilters. Michael Miller Fabrics, LLC is not responsible for the accuracy of any kits packaged to accompany this pattern. Please direct any inquiries to the kit maker.

Yardage requirements for this pattern may allow for excess yardage to accommodate specific placement of motifs or to allow for any fussy-cutting to achieve the finished quilt design.

While every attempt has been made to give accurate measurements, yardage requirements, and construction directions; this does not allow personal variations in measuring, cutting, and or sewing. The enclosed directions were used in the construction of the original quilt.

Directions

1. Piece two of the 29 1/2" right square triangles together along the stripe to make one large triangle. Piece the other two pieces together matching the stripes as shown. Sew the two large triangles together with the stripes at right angles on the diagonal seam.
NOTE: Handle the quilt gently as all of the outside edges are on the bias.
2. Sew together two CX3745 2 1/2" x W.O.F. strips together. Offset the stripes to create a checkerboard. Repeat for the remaining (8) pieces. Total (5) 4 1/2" checkerboard pieces. Trim ends leaving 1/4" seam allowance on each end. Sew two checkerboard strips together maintaining the patterns. From this piece cut one piece 40 1/2" long. Sew to the top edge. Repeat for the bottom edge. Carefully ease in any fullness to lay flat. Piece the remaining checkerboard strips together to make two 48 1/2" pieces. Sew one to each side.
3. For the large square sew together the 17" x 9" pieces mitering each corner. Match all of the stripes at each miter to make a 17" square. Trace 'star' onto the paper side of the fusible web. Cut out leaving a small margin around the image. Press on to the back of a small piece of K1149. Cut out. Press the star over the center intersection. Machine satin stitch all raw edges to finish. Turn under 1/4" seam allowance on all four sides. Topstitch to the upper right hand corner of the quilt. From the back, remove the background fabric leaving 1/4" seam allowance.
4. Repeat for the small square using the 14 1/2" x 7 1/2" pieces. Sew to the quilt as shown, Remove excess background from behind the square.
5. Layer backing, batting, and quilt top. Baste.
6. Quilt as desired.
7. Using K1149 2 1/2" strips bind quilt piecing strips as needed for length.
