Disclaimers

This pattern is provided as a courtesy to quilt stores, catalogs, and quilters. Michael Miller Fabrics, LLC is not responsible for the accuracy of any kits packaged to accompany this pattern. Please direct any inquiries to the kit maker.

Yardage requirements for this pattern may allow for excess yardage to accommodate specific placement of motifs or to allow for any fussy-cutting to achieve the finished quilt design.

While every attempt has been made to give accurate measurements, yardage requirements, and construction directions; this does not allow personal variations in measuring, cutting, and or sewing. The enclosed directions were used in the construction of the original quilt.

Directions

Step One:

Cut the large elephant square on the panel to 20 1/2" wide x 22 1/2" long.
Cut the 4 animal squares on the panel to 8 1/2" wide x 10 1/2" long. Set aside.

Step Two:

Cut 2 rectangles lengthwise of 5714_Multi 8 1/2" wide x 22 1/2" long. Set aside.

Step Three:

Fussy cut 2 rectangles from 5712_Multi 20 1/2" wide x 8 1/2" long.
Select the design from the multi stripe you want to feature. Set aside.

Step Four:

Cut 3 strips 2 1/2" wide x width of the fabric from each of the 4 colors of 5718.
Sew into a strip set - repeating the 4 colors - 1/4" seam allowance. Press.
This makes a strip set with 12 strips x width of the fabric. Cut the strip set into 2 1/2" strips.

Step Five:

Sew a strip set with 11 squares to the top and bottom of the elephant block cut in Step One.
Sew the rectangles cut in Step Three to the top and bottom of the elephant block.
Sew another strip set with 11 squares to the top and bottom again.
This completes the center section. Set aside.

Step Six:

Sew a strip set with 4 squares to the top and bottom of the rectangles cut in Step Two.
Sew two of the animal squares cut in Step One to the top and bottom.
Set two additional 4 square strip sets to the top and bottom.

Step Seven:

Repeat Step Five.

Step Eight:

Sew two cuts of strip sets together end to end - to make 4 sets of 22 squares.
Sew a set to each side of the center section. Press.
Sew the side sections to each side of the center section. Press.
Sew the 2 additional 22 square strip set strips to each side of the quilt. Press.

Step Nine:

Sew 2 strip sets together for the top and bottom of the quilt. The top is now complete. Press.

Step Ten:

Cut the backing fabric (5719) in half and sew the pieces together. Adjust to fit for backing.
Layer with batting and quilt.
Cut binding fabric (5718) into 5 strips -- 2 1/2" x width of the fabric.
Sew end to end for French Folds Binding.
