Yardage requirements for this pattern may allow for excess yardage to accommodate specific placement of motifs or to allow for any fussy-cutting to achieve the finished quilt design.

While every attempt has been made to give accurate measurements, yardage requirements, and construction directions; this does not allow personal variations in measuring, cutting, and or sewing. The enclosed directions were used in the construction of the original quilt.

## Directions

1. Moving left to right each WC5711 3 1/4" x W.O.F. stripe moves the color position up one block (see photo). Each completed strip is cut 3 1/4" x 56" before stitching together. Cut apart each strip as needed (adding 1/4" seam allowance and piece back together to move the color positions. Three extra 3 1/4" x W.O.F. strips are provided for this process). The first WC5711 3 1/2" x 56" is the only strip not pieced. Make twelve strips total.
2. Sew together (3) WC5711 56" strips maintaining the checkerboard pattern.
3. Sew one PC5709 Lagoon 3 1/2" strip to the right side of the checkerboard unit.
4. Repeat step #2. Maintain checkerboard pattern.
5. Repeat step #3 using PC5709 Sun
6. Repeat step #2
7. Repeat step #3 using PC5709 Lagoon
8. Repeat step #2 to make 42" x 56" quilt top.
9. Layer backing, batting, and quilt top. Baste.
10. Quilt as desired.
11. Bind quilt using PC5708 Rainbow 2 1/2" bias strips pieced together along the stripes to maintain the color sequence for the necessary length.
