**Disclaimers**

This pattern is provided as a courtesy to quilt stores, catalogs, and quilters. Michael Miller Fabrics, LLC is not responsible for the accuracy of any kits packaged to accompany this pattern. Please direct any inquiries to the kit maker.

Yardage requirements for this pattern may allow for excess yardage to accommodate specific placement of motifs or to allow for any fussy-cutting to achieve the finished quilt design.

While every attempt has been made to give accurate measurements, yardage requirements, and construction directions; this does not allow personal variations in measuring, cutting, and or sewing. The enclosed directions were used in the construction of the original quilt.

## Cutting Directions:

Cut 11 1/2" strip the length of the Multi Collage fabric to use later in the backing of the quilt.  
Cut eight 11" squares from the Multi Collage fabric.  
Cut each square once on the diagonal.

Cut twelve 6" squares from the Parchment Circles fabric. Cut each square once on the diagonal.  
Cut eight 8" squares from the Parchment Tonal Mosaic fabric. Cut each square once on the diagonal.  
Cut a total of thirty-six 6" squares from the rest of the fabrics listed. Cut each square once on the diagonal. The quilt shown has more squares of the Mud Dash fabric.

## Quilt Layout:

Refer to the diagram. Every half square triangle of the Multi Collage fabric is marked on the diagram with "A".

Every half square triangle of the Parchment Circles fabric is marked by the shaded area.

Every half square triangle of the Parchment Tonal Mosaic fabric is shaded and marked "B".  
The half square triangles from the assorted colored fabrics are randomly placed in the remaining spaces.

## Sewing Construction:

Refer to the diagram for sewing the pieced half square triangles. Sew the 24 pieced half square triangle blocks. 1/4" seam allowance.  
Layout the entire quilt and sew together row by row horizontally. 1/4" seam allowance.

## Backing Construction:

Cut a strip 15" x the length of the backing fabric. Insert the previous cut strip of Multi Collage fabric between the two pieces of backing fabric. Sew together. This will make a reversible quilt.

## Binding:

Cut five strips 2 1/2" x width of the fabric. Sew end to end and press wrong sides together lengthwise.  
Sew on the quilt after it is quilted as French Fold Binding.
