Disclaimers

This pattern is provided as a courtesy to quilt stores, catalogs, and quilters. Michael Miller Fabrics, LLC is not responsible for the accuracy of any kits packaged to accompany this pattern. Please direct any inquiries to the kit maker.

Yardage requirements for this pattern may allow for excess yardage to accommodate specific placement of motifs or to allow for any fussy-cutting to achieve the finished quilt design.

While every attempt has been made to give accurate measurements, yardage requirements, and construction directions; this does not allow personal variations in measuring, cutting, and or sewing. The enclosed directions were used in the construction of the original quilt.

Cutting Directions

I used a 10 Degree Wedge Ruler when making this quilt.

At the widest end it is 4 7/8" wide. At the narrow end, the width is 1 7/8" and the entire wedge is 17 1/4" long. You can make a wedge shape template if you do not have the ruler. A total of 36 Dinosaurs All Around! wedges are needed for the quilt. Most of the wedges used in this quilt are one piece of fabric - although I did combine some fabrics in pairs for the wedges.

TIP: Cut strips from all fabrics (except the panel) - 5" x 18". Cut these pieces into wedges. Remember the fabric with the word "Dinosaurs" on it is a one way design.

Sew two strips of fabric - 3" x 18" together for a pieced wedge. Lay the wedges out in a circle as you go. Once you have 36 - sew them together - 1/4" seam allowance.

OPTION: You can also sew strips in horizontal rows for the wedges to make it more scrappy.

Press the wedge section and center on of the dinosaur designs from the panel. I chose to hand applique this in place - after I had completed hand quilting on a thin batting - to give a trapunto affect.

BACKING:

For the backing I cut 4 of the Dinosaur fabrics - red, green, yellow, and turquoise into 30" x 30" squares. I sewed them together as a 4 patch. I find it easier to center the round top on the square backing and batting - and then continue with the quilting. I chose to machine quilt in the ditch.

BINDING:

I think it is easier to add a bias binding to a round quilt. I cut it 2 1/4" wide and used the Gray Stitch by Stitch fabric - CX5876.
