Yardage requirements for this pattern may allow for excess yardage to accommodate specific placement of motifs or to allow for any fussy-cutting to achieve the finished quilt design.

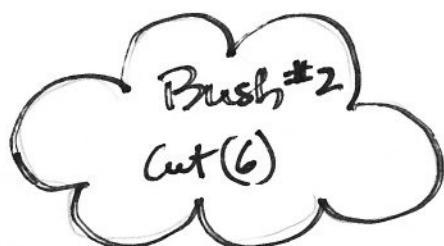

While every attempt has been made to give accurate measurements, yardage requirements, and construction directions; this does not allow personal variations in measuring, cutting, and or sewing. The enclosed directions were used in the construction of the original quilt.

Directions:

1. Sew CX5518 Aqua 16 1/2" x 22 1/2" piece to the top of CX5911 Green 18 1/2" x 22 1/2" piece to make the background.
2. Following manufacturer's directions iron fusible web onto the back of the following fabrics CX6339, CX5518 Yellow, CX5920 Raspberry, CX5920 Berry, CX3584 Girl, SC5333 Bright White, SC5333 Toffee, CX5912 Green, CX5518 Mint, and CX2504.
3. For the castle, iron one CX3584 Girl 6" x 10" piece as the center of the castle to the background. Place one CX5920 Raspberry 3" x 8" piece to each side. For the roof pieces - fold CX5920 Berry pieces in half lengthwise and trim from the fold to the raw edge on the diagonal. Make (2) from 3 1/2" x 4" pieces and (1) from the 6 1/2" x 8" piece. Using the door pattern add one CX5920 Berry door as shown. Add SC5333 Bright White 1 1/4" x 1 3/4" windows as shown. Place the one SC5333 Bright White 1 1/4" x 1 1/4" piece over the door. Machine satin stitch all raw edges to finish. Add panes to the windows and door as shown. Add flag poles at the top of each roof and place flags from CX2504 on each flag pole. OPTIONAL (but recommended): iron iron-on tear-away stabilizer on the background piece before beginning to applique. Remove all stabilizer after stitching. Stabilizer improves stitch quality and removes distortion of edges.
4. From the CX5518 Yellow - cut out one sun from the pattern. Applique in place as shown. Add satin stitch "rays" to finish. From CX6339 cut out (1) rainbow and (5) clouds. Machine applique in the sky as shown.
5. From the remaining CX5518 Yellow - free hand cut out the road as shown. Machine applique in place. From CX6339 cut out (1) carriage and (2) unicorns. Applique in place.
6. From SC5333 Toffee - cut out (3) tree trunks, from CX5912 Green - cut (3) trees, from CX5518 Mint - (12) assorted bushes. Arrange on background as shown or as desired. Machine applique in place to finish.
7. Sew one CX5895 2 1/2" x 34 1/2" piece to each side of the quilt. Sew one CX5895 2 1/2" x 26 1/2" piece to the top and bottom.
8. Sew one CX3584 Lagoon 1 1/2" x 38 1/2" piece to each side of the quilt. Sew one CX3584 Lagoon 1 1/2" x 28 1/2" piece to the top and bottom.
