Yardage requirements for this pattern may allow for excess yardage to accommodate specific placement of motifs or to allow for any fussy-cutting to achieve the finished quilt design.

While every attempt has been made to give accurate measurements, yardage requirements, and construction directions; this does not allow personal variations in measuring, cutting, and or sewing. The enclosed directions were used in the construction of the original quilt.

Directions:

1. To make a right square triangle (RST) place one 5" square right sides together on top of a different 5" square. Draw a line diagonally from corner to corner. Sew 1/4" seam on each side of the diagonal line. Cut apart on the drawn line. Press open. Yield - (2) right square triangles (RST). Trim each to an accurate 4 1/2" square. Make (8) total from each combination. #1 - CX4835 Apricot and CX6566 Purple. #2 - CX6574 Pink and CX6322 Limeade. #3 - CX4835 Seafoam and CX6566 Bubblegum. Set aside.

3. For (1) square in a square block - sew one CX6544 1 1/2" x 2 1/2" piece to the top and bottom of one CX6559 2 1/2" square. Sew one CX5544 1 1/2" x 4 1/2" piece to each side. Make (10) total. Set aside.
4. For the applique blocks - Trace (4) hearts and (4) stars onto the paper side of the flexible web. Rough cut out. Iron stars onto the wrong side of CX5514 Apricot and iron hearts onto the wrong side of CX5514 Princess. Cut out each along pattern lines. Remove paper backing. Iron motif in the center of a SC5333 4 1/2" square, (4) stars, (4) hearts. Machine applique all raw edges to finish. Set aside. OPTIONAL (but recommended) Iron iron-on tear-away stabilizer on the back of each 4 1/2" square before stitching. Stitch through all layers. Remove all traces of stabilizer after stitching. Stabilizer improves stitch quality and helps remove any distortion in the stitching process.
