Also Needed: 42" x 42" backing and batting, thread to match, copies of foundation-pieced template, scissors, flat head pins, add-a-quarter ruler, acrylic ruler, rotary cutter and mat.			

Disclaimers

This pattern is provided as a courtesy to quilt stores, catalogs, and quilters. Michael Miller Fabrics, LLC is not responsible for the accuracy of any kits packaged to accompany this pattern. Please direct any inquiries to the kit maker.

Yardage requirements for this pattern may allow for excess yardage to accommodate specific placement of motifs or to allow for any fussy-cutting to achieve the finished quilt design.

While every attempt has been made to give accurate measurements, yardage requirements, and construction directions; this does not allow personal variations in measuring, cutting, and or sewing. The enclosed directions were used in the construction of the original quilt.

Directions:

- Cut your fabric based on cutting requirements on page 3.
- Make 32 copies of the foundation paper and separate the blocks leaving approximately a 1/2" border. Make sure the scale is set to 100%
- Sew pieces in numerical order, sewing piece two to piece one, then piece three, until all six pieces are sewn to your foundation paper.
- Trim your block using a 1/4" seam. Do not remove foundation paper yet.
- Sew two sections together as shown below to form half of your finished quilt block. You will have 32 finished quilt blocks.

- Sew your half blocks together to create 16 finished blocks.

- Sew the completed quilt blocks together. It's easiest to sew the blocks together in quadrants given the bulk of the foundation paper.

- Remove foundation paper.
- Layer backing, batting and quilt top. Baste.
- Quilt as desired.
- Bind quilt using SC5333 Spa 2 1/4" strips and attach using your favorite binding method.
