Quilt by Marinda Stewart | Skill Level: Confident Beginner | Size: 48" W x 65" H

This quilt is an example of making the fabric do all of the work. It has only twelve (12) seams. It is important to pay attention to the fabric motif when cutting out the panels of fabric.

OPTIONAL: The quilt can be made reversible by using the two different coordinating fabrics on the back.

Fabric	Yardage	Cutting
CX6761 Brick Spearhead Stripe	1 1/2 yards	(2) 12" x 42 1/4" * (2) 8 1/2" x 48 1/2" *

Also Needed: 54" x 70" batting, (54" x 70" backing - if not making the quilt reversible), scissors, straight pins, thread to match, acrylic ruler, rotary cutter, and mat.		
* Cut two identical pieces from the same area of the fabric. They will mirror image each other in the quilt.		
** This fabric is cut vertically, centered on the motif and pieced for length.
