## Cutting:

WOF = Width of Fabric

### **From CF7291 Nature Babies Pink:**

### **From CF7220 Pennant Party Pink:**

### **From CF4844 Slender Stripe Princess:**

Cut [10] 6-1/2" x WOF strips

### **From CF7222 Lil Buds Magenta:**

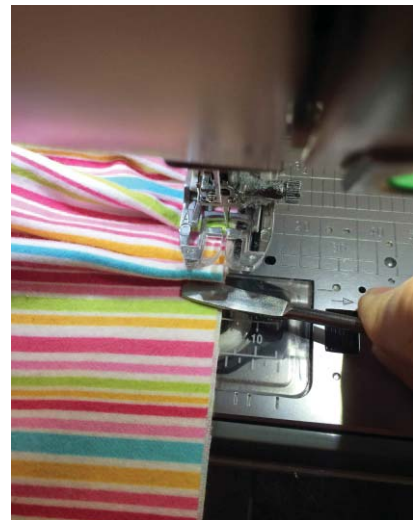

Cut [5] 4-1/2" x WOF strips

Cut [5] 2-1/2" x WOF strips (binding)

## Piecing:

**Making Ruffles:** Trim selvages from [10] 6-1/2" Slender Strip strips sew into pairs, end to end (you will have [5] long strips). Press seams open. Fold strips in half lengthwise, wrong sides together and press. Ruffle the strips, using a ruffling foot on your sewing machine, so they end up measuring 40-1/2" long. Make [5] 40-1/2" ruffles.

If you don't have a ruffling foot for your machine you can feed the strip under the walking foot, tucking the fabric as you go with a stiletto. Stitch closely to the edge and take care not to hit the stiletto with your needle.

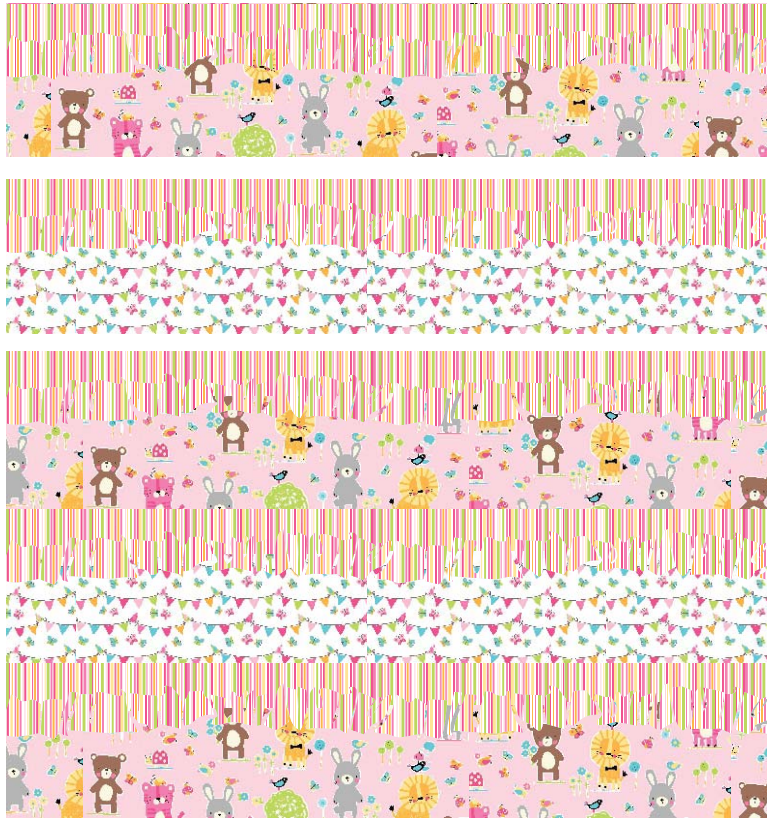

## Piecing:

**Adding Ruffles to Strips and Assembly:** Pin a ruffle to the top edge of a 8-1/2" x 40-1/2" Nature Babies strip and baste in place. Repeat to make a total of [3] Nature Babies strips with basted ruffles and [2] Pennant Party strips with basted ruffles.

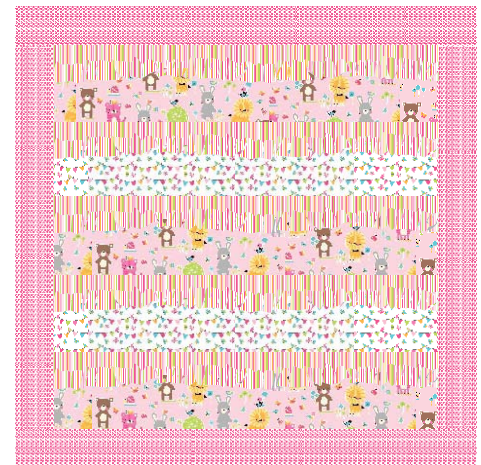

Pin carefully and sew strips into horizontal rows. Press seams toward unruffled edge.

Cut [2] 4-1/2" Lil Buds Magenta strips to measure 4-1/2" x 40-1/2". Sew one to each side of quilt center and press toward border.

Sew remaining 4-1/2" Lil Buds Magenta strips together, end to end. Press seams open and cut [2] 4-1/2" x 48-1/2" borders. Sew a border to top and bottom of quilt center and press seams open to complete quilt top.
