Glam Medallion Quilt

Construction:

- * All seam allowances are 1/4".
 - * Iron all seams open after sewing each pair of strips in place.
 - * You will be building the quilt out from the centre square, one border at a time. Refer to quilt photo for guidance.
 - * The majority of seams in this quilt are along the long side of narrow strips of fabric and thus will have a tendency to be easily stretched if pulled. To avoid this problem, prior to sewing each strip, always pin both the ends of strips as well as the middle point to the centre panel you are sewing onto.
-
- Pin 2 shorter **DC8248 Love** pieces to the top & bottom of the centre large **DC8241 Girl** piece & sew. Pin 2 longer **DC8248 Love** pieces to sides of the centre piece & sew.
 - Pin 2 shorter **SC5333 Pewter** pieces to the top & bottom of the centre panel & sew. Pin 2 longer **SC5333 Pewter** pieces to sides of the centre panel & sew.
