Giant Peaks Quilt

Cutting Instructions:

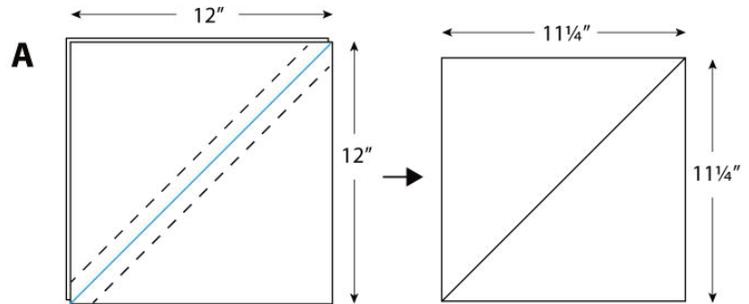

- Binding fabric: Cut 9 strips $2\frac{1}{4}$ " x WOF (width of fabric). Set aside for binding.
- Backing Fabric: Cut fabric into 2 pieces 2.5 yards x WOF. Trim selvages. Sew together along 2.5 yard length. Press seam open & set aside for backing.
- DC8335 - Cloud, DC8340 - Glow: Cut four 12" squares .
- DC8340 - Twinkle, DC8339 - Starlight: Cut six 12" squares.
- All other fabrics: Cut five 12" squares.

Half-Block Construction:

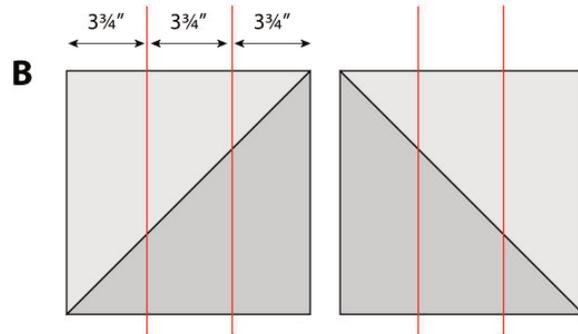

All seam allowances are $\frac{1}{4}$ ". All seams are pressed open at each step. Refer to **Diagram 1** for fabric placement.

The quilt consists of 20 blocks (5 across x 4 down), each divided into 2 **Half Blocks** which are made as follows:

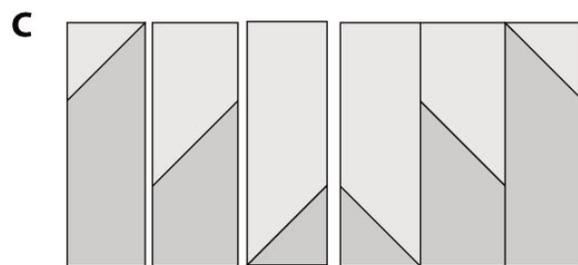

A - Place two 12" squares for 1st half block Right Sides Together (RST) (ex. the first Half-Block of top left block in **Diagram 1** consists of DC8340 - Twinkle & DC8338 - Sun). Draw a straight pencil line diagonally, corner to corner on the wrong side of top fabric. Sew a line on either side of the drawn line, $\frac{1}{4}$ " from the line. Cut along the drawn line & press seams open, resulting in 2 blocks as shown to the right that are mirror images of each other.

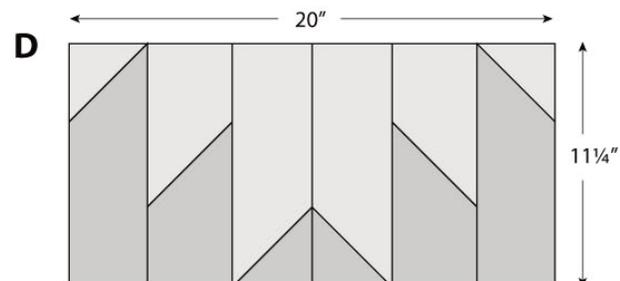

B - Cut each block into 3 vertical sections, each $3\frac{3}{4}$ " wide.

C - Rearrange the order of the strips to be the opposite of the order they were originally in (move right strip of 1st block to the left & left strip to the right). Sew these strips back together in their new order.

D - Sew the 2 new blocks together, resulting in the quilt's first **Half Block**, measuring 20" wide by $11\frac{1}{4}$ " long.

Continue sewing all Half Blocks in the same fashion.

Quilt Top Construction:

- Sew Half Blocks together to create full Blocks as in Diagram 1.
- Sew Blocks together, one row at a time.
- Pin rows together matching intersecting seams. Sew rows together.

Assembling Quilt:

Layer backing, batting and quilt top. Baste or pin.

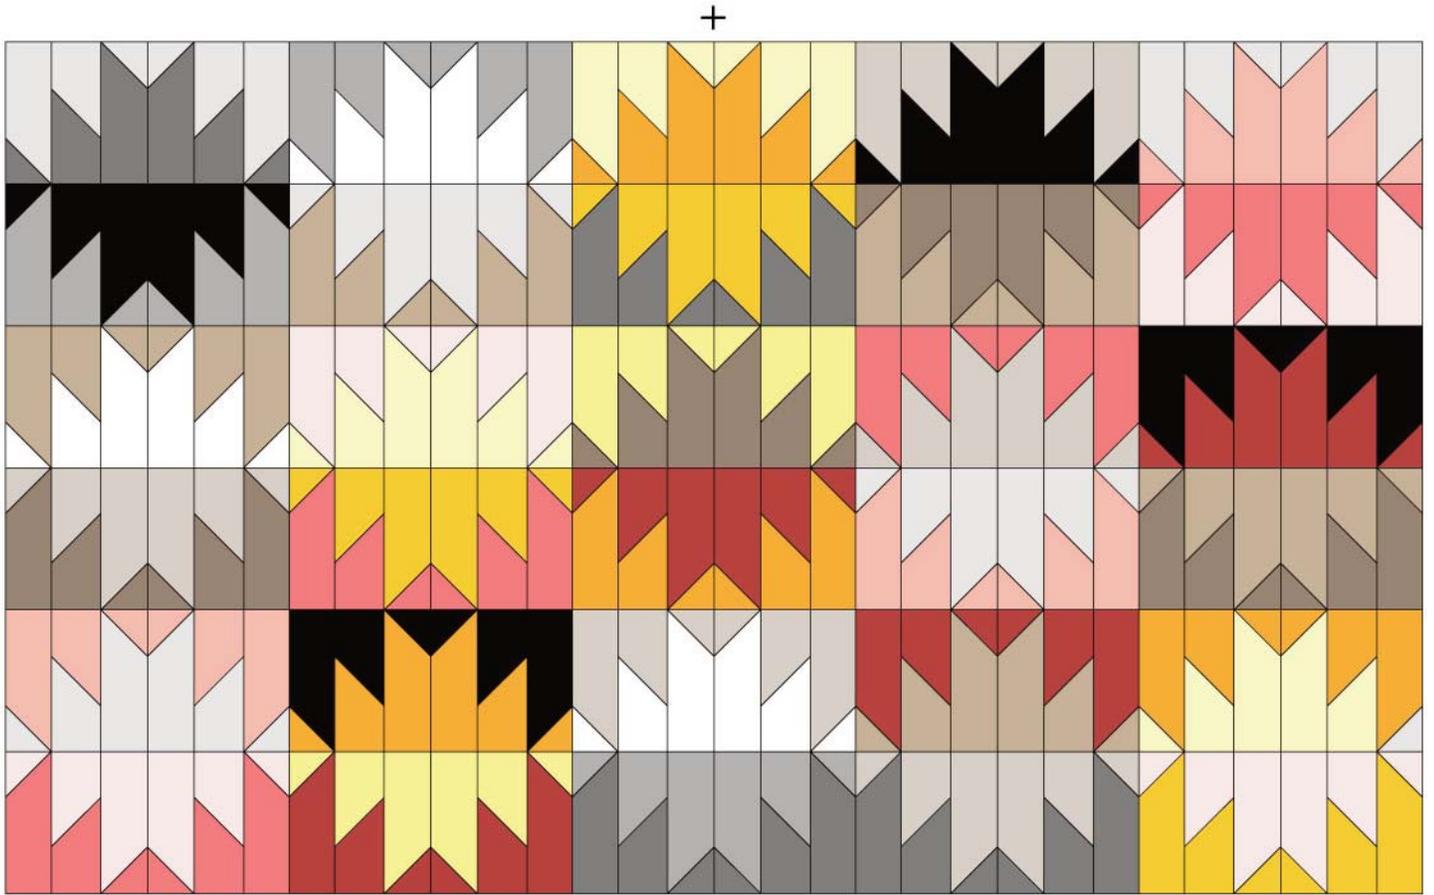

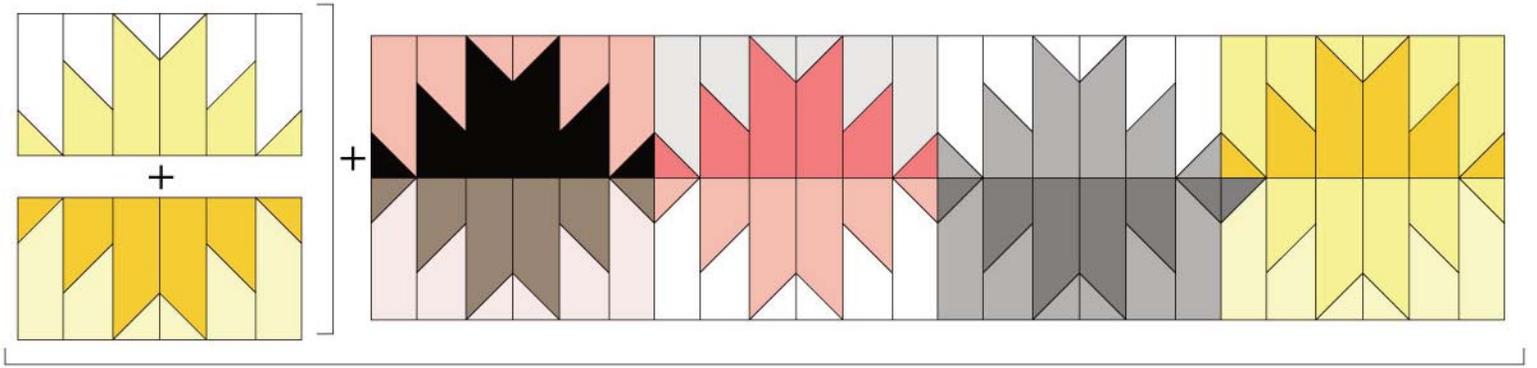

Quilt as desired.

Square up quilt. Join binding strips together and bind in your preferred fashion.
