Also Needed: 45" x 60" batting, scissors, straight pins, threads to match, rotary cutter, acrylic ruler, mat, and fusible web.

* Cut from the middle between the borders
** Center on motif (4) of each animal were selected
*** See patterns

Directions:

1.	Following manufacturer's directions, trace pattern pieces onto the paper side of the fusible web. Rough cut out. Iron each pattern piece onto the wrong side of the designated fabrics (see pattern pieces). Remove paper backing. Place (1) SC5333 Bright White face on top of the second SC5333 Bright White face. Fuse in place. The two layers prevent the background showing through. Add the eyes, nose, cheeks, and tongue to the face as shown. Fuse in place. Machine satin stitch around each feature adding the lines for the mouth and the dots for the whiskers. Arrange all Lion pattern pieces in the center of the CX8403 20 1/2" square as shown. Fuse in place. Machine satin stitch raw edges to finish. Set aside.

2.	To make prairie point border - for one - fold (1) CX8405 Denim 2" square in half. Fold the fold edge down to the center on each side to make a triangle. Press to hold shape. Make (40). Arrange (10) prairie points face up on each side of the 20 1/2" square. Topstitch in place at 1/8" from the edge.

3.	Sew one CX8405 Coral 1" x 20 1/2" piece to the top and bottom of the square. Sew one CX8405 Coral 1" x 21 1/2" piece to each side. Set aside.

4.	For one 7 1/2" star block - for (1) star point unit - sew (1) SC5333 Nite 2" x 2 1/2" piece, right sides together on top of one CX8405 Sky 2 1/2" x 3 1/2" piece. The smaller piece will be offset as shown. .

	Sew diagonally from upper outside corner to lower inside corner. Press open. Remove excess from the back. Repeat for the other side reversing the direction. Make (4) for one block. To assemble the block sew one unit to the top and bottom of one CX8407 3 1/2" square. Sew one CX8405 Sky 2 1/2" square to each end of each remaining unit (2 total). Sew one 2 1/2" x 7 1/2" pieced unit to each side of the center 3 1/2"x 7 1/2" unit to make (1) star block as shown. Make 16 blocks total.

5.   Sew 3 blocks together. Make (2). Sew one row to the top and one row to the bottom of the 21 1/2" appliqued center block. Sew together (5) blocks end to end keeping motifs upright. Make (2) rows. Sew one to each side of the quilt.

6.   Sew one CX8405 Denim 3" x 35 1/2" piece to each side of the quilt.

7.   Sew one CX8405 Coral 1" x 40 1/2" piece to the top and bottom of the quilt.

8.   Sew one CX8403 10 1/2" x 40 1/2" strip to the top and bottom of the quilt as shown.

9.   Layer backing (Optional CX8405 Turquoise), batting, and quilt top. Baste.

10.   Quilt as desired.

11.   Bind quilt using CX8405 Coral 2 1/2" strips pieced as needed for length.

12.   For tail fringe - cut scant 1/4" fringe across 5 1/2" edge of SC5333 Nite to within 1/4" of the bottom. Using a threaded sewing needle, tightly gather along the lower edge. Machine stitch gathered edge to the top of the tail as shown. For the Lion's mane, fold SC5333 Nite 4" x 36" lengthwise at 1 3/4" to create two different lengths of layers. Clip every 1/4" to within 1/4" of the fold. Using a hand sewing needle, gather fringe along the fold edge. Arrange gathers evenly around the lion face as shown. Stitch 1/8" from edge and again 1/4" from edge. "Fluff" fringe to create the lion mane.
