BLOCK A ASSEMBLY

1. Align the corners of (1) Fabric A 3 7/8" square with a drawn diagonal line with (1) Fabric C 12 ½" square with right side of fabrics together.
2. Sew on the drawn diagonal line. Trim outermost excess fabric to ¼" and press seams outward toward Fabric A.
3. Repeat on the remaining (3) corners of the Fabric C square to create Block A.

4. Using the following fabric combinations and the techniques described in Steps 1-3, complete the following quantity of Block A.
 - a. (7) Block A using (1) Fabric B 12 ½" square and (4) Fabric A 3 7/8" squares.
 - b. (5) Block A using (1) Fabric C 12 ½" square and (4) Fabric A 3 7/8" squares.
 - c. (4) Block A using (1) Fabric D 12 ½" square and (4) Fabric A 3 7/8" squares.
 - d. (4) Block A using (1) Fabric E 12 ½" square and (4) Fabric A 3 7/8" squares.

Fabrics A and C

Fabrics A and D

Fabrics A and E

5. There should be a total of (20) Block A. Trim Block A to measure 12 ½" unfinished.

BLOCK B ASSEMBLY

6. Sew (1) 7 ¼" QST from Fabrics F-I together to create a QST unit. Fabrics F and G should be placed across from each other, and Fabrics H and I should be placed across from each other. Use diagrams for accurate fabric placement. The longest edges of each QST should create the (4) sides of the unit.
7. Repeat to create (12) QST units. QST units should measure 6 ½" unfinished.

8. Create flying geese units by aligning the corners of (1) Fabric G 3 ½" square with a drawn diagonal line with (1) Fabric A 3 ½" x 6 ½" rectangle with right side of fabrics together.
9. Sew along the drawn line. Trim the outermost excess fabric to ¼" and press seams outward as shown in the diagram.
10. Repeat the same process on the remaining corner of Fabric A to create a flying geese unit.

CURIO CABINET

11. Using the following fabric combinations and the techniques described in Steps 8-10, complete flying geese using the following fabric combinations:

- (12) flying geese units using Fabrics A and F
- (12) flying geese units using Fabrics A and G
- (12) flying geese units using Fabrics A and H
- (12) flying geese units using Fabrics A and I

Fabrics A and I

12. Assemble Block B using (4) Fabric A 3 1/2" squares, (1) QST unit created in Steps 6-7 and (1) flying geese unit from each colorway created in Step 11. Use diagrams for accurate unit and fabric placement.

13. Repeat to create (12) Block B. Block B should measure 12 1/2" unfinished.

BLOCK C ASSEMBLY

- Sew (1) Fabric A 3 1/2" x 10" strip onto the side of (1) Fabric F 7" HST so that the longest edge of Fabric F is facing outward as shown in the diagram. Press seams toward Fabric A.
- Sew (1) Fabric A 3 1/2" x 13" strip onto the remaining side of the Fabric F 7" HST. The longest edge of Fabric F should be left unsewn. Press seams toward Fabric A.
- Place a long ruler on the longest edge of Block C extending from one corner to the opposite corner as shown. Trim excess fabric to create a triangle.
- Repeat to create (14) Block C.

QUILT ASSEMBLY

18. The quilt is assembled on a diagonal setting. Lay out the blocks before sewing. Follow the diagrams shown for accurate block and color placement. Alternate between Blocks A and B throughout the quilt top. Block C will be used along the perimeter of the quilt to create a straight edge. Fabric A 9 1/2" HST will create the (4) corners of the quilt top.
19. Begin assembling the quilt top in diagonal block rows first as shown in the diagram. Alternate the direction in which you press the seams in each row.

CURIO CABINET

20. Begin border assembly by sewing (2) Fabric F 2 ½" x WOF strips together end to end using a diagonal seam. Repeat twice to create (2) long strips. Trim both strips to 2 ½" x 72 1/2" for the top/bottom of the quilt top.
21. Continue border assembly by sewing (5) Fabric F 2 ½" x WOF strips together end to end using a diagonal seam to create (1) long strip. From the long strip, trim (2) strips to 2 ½" x 85 1/2" for the sides of the quilt.
22. Sew the side borders onto the completed quilt top center first, followed by the top/ bottom borders. Trim any excess border fabric present after sewing for a nice finish.

CURIO CABINET

23. Sandwich quilt with batting and backing. Baste quilt layers together using your preferred method. Quilt as desired
24. Bind quilt using (9) Fabric C 2 ¼" strips.
