APPLIQUÉ: (Note: Do not resize or mirror-image appliqué shapes.)

Trace each appliqué shape (pages 5-11) on the paper side of fusible web (see placement notes below for large scale appliqué). DO NOT cut on the traced lines. Cut them apart at least 1/8" outside the lines. Lay a fusible web shape, paper side up, on the wrong side of fabric. Press according to fusible web manufacturer's instructions. Let fabric cool, then cut out shape on the drawn line.

Peel off paper from shape and arrange, fusible side down, on the right side of the Fabric E rectangle (centered). Fuse to appliqué background following manufacturer's instructions.

Stitch the appliqués using the stitch of your choice. You can use blanket stitch, zig zag or straight stitch.
