KEY	CUTTING INSTRUCTIONS
A	Cut (12) 3-1/2" by WOF strips. Subcut into (144) 3- 1/2" x 3-1/2" squares Cut (8) 2-1/2" by WOF strips (hold for borders)
B	Cut (6) 12- 1/2" by WOF strips. Subcut into (18) 12-1/2" x 12-1/2" squares
C	Cut (6) 12- 1/2" by WOF strips. Subcut into (18) 12-1/2" x 12-1/2" squares
D	Cut (8) 2-1/2" by WOF strips (hold for binding) Using the template on the last page, cut out (9) 8" circles
E	Using the template on the last page, cut out (9) 8" circles
F	Using the template on the last page, cut out (9) 8" circles
G	Using the template on the last page, cut out (9) 8" circles

Block Assembly (Make 9 in each colorway):

1. Draw a diagonal line on the back of all A squares.
2. Using (4) A squares and (1) B square assemble the base of the block, using the stitch and flip method. Place an A square in the corner of a B square and sew along the diagonal line. Trim a 1/4" from the seam and press open. Repeat with the other corners. See diagram below for details.

3. Center a D circle over the top of the AB base. Use the fabric glue to gently tack the circle in place with the right side facing up. Machine applique in place using a tight zigzag stitch or your preferred method. Repeat to make a total of 9 ABD blocks

4. Repeat steps 1-3 to make 9 blocks each of ABG, ACF and ACE. See examples below.

ABG

ACF

ACE

Assemble the Quilt Top:

Assemble the blocks into rows, and then the rows into the quilt top, according to the diagram below. Once all of the rows are assembled attach the border.

Assemble the Quilt:

1. Square the quilt top.
2. Divide backing evenly into 2 pieces. Sew together using a $\frac{1}{2}$ " seam allowance. Press seam to the side.
3. Sew together binding strips using your preferred method and iron in half to make single fold binding.
4. If not using a longarm, baste your quilt using your preferred method.
5. Quilt using your preferred method. This pattern lends itself well to a basic all over pattern, and spirals set in the "plates."
6. Bind quilt using your preferred method.
